TYPE OF APPLICATION: AME 18-07 Blueprint Downtown Area Plan

PROJECT DESCRIPTION:

The draft Blueprint Downtown Area Plan, as submitted by the Steering Committee, is scheduled for a public hearing by the Planning Commission on Tuesday, April 23. If adopted, this plan will be used by decision-making bodies to make informed decisions about development projects and priorities, directly impacting your department.

LEGAL DESCRIPTION:

PARCEL NUMBER(S):

PHYSICAL ADDRESS:

SPECIFIC QUESTIONS FROM PLANNER:

The Planning Commission (PC) will provide a recommendation to the Assembly on the adoption of the Blueprint Downtown area plan. This plan touches many departments and does not belong to any one agency. Your input on priorities, corrections, and other feedback will aide the PC in making an informed decision, and increase your agency's understanding of your role in implementing various action items.

JPD is integral to the plan's Visions for a safe and vital downtown, outlined in Chapter 1. Because the plan is so large, we are asking you to focus your comments on "A Safe & Welcoming Downtown" (Ch. 3, p. 70) and "Downtown Clean & Safe program" (Ch.5 Goal, p. 182). Note the Action Charts in Chapter 2 outline anticipated implementing partners for the plan Goals and Actions. Please provide updates on JPD's current policies and projects that are relevant to action items outlined in the Blueprint plan.

AGENCY COMMENTS:

JPD has reviewed the plan and has no concerns/comments at this time.
