Hi Jill,

This is the definition out of the Residential Code.
We don't have a definition in T19.

DWELLING UNIT. A single unit providing complete independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking and sanitation.

Subject: T19 ADU definition
Importance: High

Hi Charlie,

Would you email the T19 definition and citation for ADUs? I don't think I got that from you.

Thanks,

Jill Maclean, AICP | Director
