**Please explain, with specificity, your reasons for applying to serve on this particular board.**

Now that I have obtained my CPA license in February 2021, I wanted to find a volunteer opportunity in Juneau. I see this particular board is looking for an accountant member. Previously I worked at DEC and supported the State Revolving Loan Fund programs for Clean water and Drinking water which includes assisting with reviewing financial statements and analyzing financial capacity of utilities around the State when the Program needs. I also provide financial and compliance assistance to the Village Safe Water program which includes construction projects to build water utilities. This exposure to the importance of both water and wastewater utilities makes me interested in serving the CBJ Utility Advisory Board.
