Re: DOCKAGE SPECIAL REQUEST – USCG CUTTER

1. A Coast Guard cutter (name/dates redacted due to security concerns) wishes to make an October port call in Juneau. Under [05 CBJAC 15.030 – Dockage Charges](#), the Board may waive moorage fees as set forth under:
 - (i) *Dockage specials. The Docks and Harbors Board may after public hearing establish special and promotional rates of a temporary nature in order to encourage use of facilities, to respond to unusual economic circumstances, or to promote revenue development.*
2. It is Docks & Harbors intention to continue to foster relationships with the Coast Guard and the City & Borough of Juneau. In this instance, the Coast Guard weighs budgetary constraints and fiscal year uncertainty with the cost of a port call. There are economic reasons for local businesses to encourage cutter visits and we should remove barriers when possible. I recommend the Docks & Harbors Board waive the dockage fees for the upcoming USCG cutter visit.
