Please explain, with specificity, your reasons for applying to serve on this particular board.

I have been actively involved with the JCOA for two years and am seeking reappointment. Over the past year, I was involved with getting the Southeast Regional Eldercare Coalition established. We recently were awarded a 2.5 million dollar grant to fund this project. We know that seniors are one of the fasting growing populations in Juneau/Southeast so it is important to assure there is a high level of advocacy in this area. I recently moved from CCS as the director of hospice and home health to BRH as Operations Director of BH where there is little focus on our elders. We are finding that more work needs to be done in this area.
