The City and Borough may deem the person in whose name each Bond is registered to be the absolute owner thereof for the purpose of receiving payment of the principal of and interest on such Bond and for any and all other purposes whatsoever.

Section 7. Priority of Payments from Port Development Fee Fund. There is maintained a special revenue fund of the City and Borough known as the “Port Development Fee Fund” into which all Port Development Fee Revenues are deposited. All Port Development Fee Revenues shall be deposited in the Port Development Fee Fund. The Port Development Fee Fund shall be held separate and apart from all other funds and accounts of the City and Borough and the Port Development Fee Revenues deposited in such Fund shall be used only for the following purposes and in the following order of priority:

First, to pay the interest on any Parity Bonds, including reimbursements to the issuer of a Qualified Letter of Credit or Qualified Insurance if the Qualified Letter of Credit or Qualified Insurance secures the payment of interest on Parity Bonds and the proceedings authorizing such Parity Bonds provides for such reimbursement;

Second, to pay the principal of any Parity Bonds, including reimbursements to the issuer of a Qualified Letter of Credit or Qualified Insurance if the Qualified Letter of Credit or Qualified Insurance secures the payment of principal of Parity Bonds and the proceedings authorizing such Parity Bonds provides for such reimbursement;

Third, to make all payments required to be made into the Reserve Account to secure the payment of the principal of and interest on the Bonds and to make all payments required to be

made into any reserve account hereafter established to secure the payment of the principal of or interest on any Future Parity Bonds, including reimbursements to the issuer of a Qualified Letter of Credit or Qualified Insurance if the Qualified Letter of Credit or Qualified Insurance fulfills the Reserve Requirement in whole or in part and the proceedings authorizing such Parity Bonds provides for such reimbursement;

Fourth, to make all payments required to be made into any revenue bond redemption fund or revenue warrant redemption fund and debt service fund or reserve fund created to pay and secure the payment of the principal of and interest on any other revenue bonds or revenue warrants of the City and Borough having a lien upon the Port Development Fee Revenues junior and inferior to the lien thereon for the payment of the principal of and interest on Parity Bonds; and

Fifth, to retire by redemption or purchase any outstanding revenue bonds or revenue warrants of the City and Borough, remaining Port Development Fee Revenues may also be used to make necessary additions, betterments, improvements and repairs to or extensions and replacements of the Port Facilities, or for any other lawful City and Borough purposes.

Section 8. Bond Fund. A special account of the City and Borough designated as the “Port Revenue Bond Debt Service [Fund][Account]” (the “Bond Fund”) has heretofore been created in the office of the Finance Director for the purpose of paying and securing the payment of the Bonds and all Parity Bonds. The Bond Fund shall be held separate and apart from all other accounts of the City and Borough and shall be a trust account for the owner of Parity Bonds. The Bond Fund shall be divided into two separate accounts: a Principal and Interest Account for the payment of the principal of and interest on Parity Bonds and the payment of redemption premium, if any, whether due at maturity or redemption prior to maturity and a Reserve Account for the purpose of additionally securing the repayment of Parity Bonds.

(a) *Payments Into Principal and Interest Account.* The Finance Director may direct all or a portion of the original issue premium to be deposited in the Principal and Interest Account. As long as any Parity Bonds remain outstanding, the City and Borough hereby irrevocably obligates and binds itself to set aside and pay from the Bond Fund into the Principal and Interest Account those amounts necessary, together with such other funds as are on hand and available in the Principal and Interest Account, to pay the interest or principal and interest next coming due on outstanding Parity Bonds. Such payments from the Port Development Fee Fund shall be made on or prior to the due date for such installment of principal and interest.

(b) *Priority of Lien of Payments into Principal and Interest Account.* Said amounts so pledged to be paid into the Bond Fund with respect to the Bonds are hereby declared to be a prior lien and charge upon the Port Development Fee Revenues superior to all other charges of any kind or nature whatsoever, except that the amounts so pledged are of equal lien to the lien and charge thereon of any Future Parity Bonds.

(c) *Reserve Account.* A Reserve Account (the “Reserve Account”) is hereby authorized to be created in the Bond Fund for the purpose of securing the payment of the principal of and interest on all Parity Bonds. The City and Borough hereby covenants to deposit into the Reserve Account on the date of issuance of the Bonds from Bond proceeds and/or from funds of

the City and Borough legally available therefor an amount equal to the Reserve Requirement with respect to the Bonds.

The City and Borough further covenants and agrees that when said required deposits have been made into the Reserve Account, it will at all times maintain therein an amount at least equal to the Reserve Requirement with respect to all outstanding Parity Bonds. Whenever there is an insufficient amount in the Bond Fund, including the Reserve Account and the Principal and Interest Account to pay the principal of and interest on all outstanding Parity Bonds when due, the money in the Reserve Account may be used to pay such principal and interest. Money in the Reserve Account may be withdrawn to redeem and retire, and to pay the interest due to such date of redemption on any outstanding Bonds, so long as the money left remaining on deposit in the Reserve Account is equal to the Reserve Requirement with respect to all outstanding Parity Bonds.

The City and Borough may satisfy the Reserve Requirement, in whole or in part with a Qualified Letter of Credit or Qualified Insurance. In making the payments and credits to the Reserve Account required by this subsection (c), to the extent that the City and Borough has obtained Qualified Insurance or a Qualified Letter of Credit for specific amounts required pursuant to this section to be paid out of the Reserve Account, such amounts so covered by Qualified Insurance or a Qualified Letter of Credit shall be credited against the amounts required to be maintained in the Reserve Account by this subsection (c) to the extent that such payments and credits to be made are insured by an insurance company, or guaranteed by a letter of credit from a financial institution. A Qualified Letter of Credit shall not be cancelable on less than 30 days' notice to the City and Borough, and Qualified Insurance shall be noncancellable. In the event of any cancellation of a Qualified Letter of Credit, the Reserve Account shall be funded in accordance with the third paragraph of this subsection (c) as if the Parity Bonds for whose benefit the Qualified Letter of Credit was issued which then remain outstanding had been issued on the date of such notice of cancellation.

In the event that the City and Borough elects to meet the Reserve Requirement through the use of a Qualified Letter of Credit, Qualified Insurance or other equivalent credit enhancement device, the City and Borough may contract with the entity providing such Qualified Letter of Credit, Qualified Insurance or other equivalent credit enhancement device that the City and Borough's reimbursement obligation, if any, to such entity shall be made from Port Development Fee Revenues available after the payments described in Paragraphs First through Third in Section 7 hereof have been made.

In the event a deficiency in the Principal and Interest Account shall occur, the deficiency shall be made up from the Reserve Account by the withdrawal of cash therefrom for that purpose and by the sale or redemption of obligations held in the Reserve Account, if necessary, in such amounts as will provide cash in the Reserve Account sufficient to make up any such deficiency, and if a deficiency still exists immediately prior to an interest payment date and after the withdrawal of cash, the City and Borough shall then draw from any Qualified Letter of Credit, Qualified Insurance, or other equivalent credit facility that secures the Parity Bonds in sufficient amount to make up the deficiency. Such draw shall be made at such times and under such conditions as the agreement for such Qualified Letter of Credit or such Qualified Insurance shall provide. Any deficiency created in the Reserve Account by reason of any such withdrawal shall

then be made up within one year of the date of withdrawal from Port Development Fee Revenues after making necessary provision for making the payments described in Paragraphs First through Third in Section 7 hereof.

(d) *Application and Investment of Moneys in the Bond Fund.* Money in the Principal and Interest Account not needed to pay the interest or principal installment and interest next coming due on Parity Bonds may be used to prepay Parity Bonds. Money in the Bond Fund therein may be invested in any legal investment for the funds of the City and Borough. All interest earned and income derived by virtue of such investments shall remain in the Bond Fund (or respective account therein) and be used to meet the required deposits into any account therein.

Section 9. Sale of Bonds. The Assembly has determined that it is in the best interest of the City and Borough to delegate to the City and Borough Representative the authority to approve the manner of sale of the Bonds of each series. Initially, the City and Borough Representative is hereby authorized to determine whether the Bonds of a series shall be sold by Private Placement or to the Bond Bank. If the Bonds of a series are sold by Private Placement, the City and Borough Representative shall select the purchasing entity or bank to purchase the Bonds through a process of soliciting proposals for purchase. Upon the selection of a Purchaser, the City and Borough Representative shall negotiate the terms of sale for the Bonds, including the terms described in this section, in a Bond Purchase Contract. If the Bonds of a series are sold to the Bond Bank, the City and Borough Representative shall negotiate the terms of the sale for the Bonds in a Loan Agreement.

The City and Borough Representative is authorized to negotiate and complete the sale of the Bonds in one or more series to the Purchaser on terms and conditions consistent with this ordinance and the respective Bond Purchase Contract or to the Bond Bank on terms and conditions consistent with this ordinance and the respective Loan Agreement for the Bonds. Following the sale of a series of Bonds, such terms and conditions, including the final principal amount, date, principal installment payment schedule, interest rates, payment dates and prepayment provisions, all as provided for in this ordinance, shall be set forth in a Bond Purchase Contract or a Loan Agreement, all subject to the Assembly's approval by resolution, which resolution may, at the option of the Assembly, provide for delegation within parameters approved by the Assembly.

Section 10. Undertaking to Provide Ongoing Disclosure. The City and Borough will execute a certificate for ongoing disclosure in form and substance satisfactory to the purchaser of the Bonds, and the City Manager or his/her designee is hereby authorized and directed to execute such certificate.

Section 11. Insurance. If a series of Bonds is sold to the Bond Bank, the Bond Bank may, with the consent of the City and Borough and on terms and conditions acceptable to the City and Borough, obtain a policy of municipal bond insurance guaranteeing the payment when due of the principal of and interest on a series of the Bond Bank's Bonds issued to provide funds for the loan to the City and Borough pursuant to a Loan Agreement. By the Loan Agreement, the City Manager or his/her designee may approve any such policy of municipal bond insurance and authorize all other officers, agents, attorneys, and employees of the City and Borough to cooperate with the bond insurer in preparing such additional agreements, certificates, and other

documentation on behalf of the City and Borough, consistent with this ordinance, as shall be necessary or advisable in providing for such policy of municipal bond insurance.

The City Manager or his/her designee also may obtain a surety policy in order to satisfy the Reserve Requirement on the condition that the surety policy meets the requirements of Qualified Insurance on terms and conditions determined to be acceptable to the City Manager or his/her designee. The City Manager or his/her designee may execute such additional agreements or certificates and provide such documentation to the issuer of such surety policy as shall be necessary or advisable in providing for such surety policy.

In connection with the initial issuance and sale of the Bonds to the Bond Bank, and notwithstanding the provisions of Section 19 of this ordinance to the contrary, the Assembly may by resolution modify any of the covenants or other provisions of this ordinance as may be required by a provider of bond insurance or a surety policy for the Bond Bank's Bonds.

Section 12. Disposition of Proceeds of the Bonds. The Finance Director may direct that all or a portion of the original issue premium also be deposited in the Principal and Interest Account. Unless the Reserve Requirement is satisfied with a Credit Facility or other port revenues, a portion of the Bond proceeds in the amount designated by the Finance Director shall be deposited in the Reserve Account in order to meet the Reserve Requirement. The City and Borough shall maintain a fund or account for the Projects (the "Project Fund"). The balance of the proceeds of sale of the Bonds of a series shall be deposited in the Project Fund or a subaccount therein, and shall be expended solely to pay the cost of issuing and selling that series of Bonds and, together with other available moneys of the City and Borough, shall be used to reimburse the City and Borough for funds already distributed for the costs of the Project, and to pay the costs of completing the Project, as the case may be. Money in the Project Fund shall be invested by the Finance Director, pending disbursement, in any legal investment for City and Borough funds, and interest earnings shall be deposited in the Project Fund.

Section 13. Defeasance. In the event that money and/or noncallable Government Obligations maturing or having guaranteed redemption prices at the option of the holder at such time or times and bearing interest to be earned thereon in amounts (together with such money, if any) sufficient to redeem and retire part or all of the Bonds in accordance with the its terms, are hereafter irrevocably set aside in a special account and pledged to effect such redemption and retirement, then no further payments need be made into the Bond Fund or any account therein for the payment of the principal of and interest on the Bonds or portion thereof so provided for and the Bonds or portion thereof shall then cease to be entitled to any lien, benefit or security of this ordinance, except the right to receive the accounts so set aside and pledged, and the Bonds or portion thereof shall no longer be deemed to be outstanding hereunder.

Section 14. Specific Covenants. The City and Borough hereby covenants and agrees with the owners of the Bonds that for as long as the Bonds remain outstanding as follows:

(a) *Rate Covenant.* The City and Borough will maintain the rates established in the ordinance and resolution authorizing and imposing the fees that constitute the Port Development Fee Revenues and will collect such amounts for so long as any Bonds are outstanding as will

maintain the Rate Covenant. Nothing in this Rate Covenant shall preclude the City and Borough from increasing the fees or otherwise modifying the Port development fee as long as there is a net increase in the Port development fee as a result of such modification.

(b) *Port Facilities Maintenance.* The City and Borough will at all times maintain and keep the Port Facilities in good repair, working order and condition, and also will at all times operate such facilities and the business in connection therewith in an efficient manner and at a reasonable cost.

(c) *Books and Records.* The City and Borough will, while the Bonds remain outstanding, keep proper and separate accounts and records in which complete and separate entries shall be made of all transactions relating to the Port Facilities, and it will furnish the original purchaser or purchasers of the Bonds or any subsequent owner or owners thereof, at the written request of such owner or owners, complete operating and income statements of the Port Facilities in reasonable detail covering any fiscal year, showing the financial condition of the Port Facilities and compliance with the terms and conditions of this ordinance, not more than 120 days after the close of such fiscal year, and it will grant any owner or owners of at least 25% of the outstanding Bonds the right at all reasonable times to inspect the entire Port Facilities and all records, accounts and data of the City and Borough relating thereto. Upon request of any owner of any of said Bonds, it will also furnish to such owner a copy of the most recently completed audit of the City and Borough's accounts.

(d) *Ordinance a Contract.* This ordinance shall constitute a contract with the registered owners of the Bonds, and upon any default hereunder, said owner shall have the right to institute a mandamus action in any court of competent jurisdiction to compel performance by the City and Borough in accordance with the terms of this ordinance.

(e) *Tax Covenants.* The Finance Director is an officer of the City and Borough whose duties include the holding of such hearings as may be required under the Code in order to assure the tax exempt status of the Bonds. The Finance Director will hold a public hearing on the issuance of the Bonds as needed. The City and Borough covenants to undertake all actions required to maintain the tax-exempt status of interest on the Bonds under Section 103 of the Code as set forth in the Federal Tax Certificate(s) that will be executed at the closing for the Bonds.

The City and Borough has not designated the Bonds as “qualified tax-exempt obligations” under Section 265(b)(3) of the Code for banks, thrift institutions and other financial institutions.

Section 15. Future Parity Bonds.

(a) *Conditions upon the Issuance of Future Parity Bonds.* As long as the Bonds remain outstanding, the City and Borough hereby further covenants and agrees that it will not issue any obligations having a lien on the Port Development Fee Revenues prior to the lien thereon of the Bonds and further that it will not issue any Future Parity Bonds except in accordance with the conditions of this Section 15. The City and Borough hereby reserves the right to issue additional revenue obligations, which shall constitute a charge and lien upon the Port Development Fee Revenues equal to the lien thereon of the Bonds. Except as provided in subsection (b) below, the

City and Borough shall not issue any series of Future Parity Bonds or incur any additional indebtedness with a parity lien or charge on Port Development Fee Revenues (*i.e.*, on a parity of lien with Parity Bonds at the time outstanding) unless:

(1) the City and Borough shall not have been in default of its Rate Covenant for the immediately preceding fiscal year;

(2) The ordinance authorizing the issuance of such Future Parity Bonds shall provide that the Reserve Requirement shall be funded no later than the date of delivery of the Future Parity Bonds and shall include the covenants set forth in Section 14 of this ordinance (including the tax covenant, to the extent applicable); and

(3) there shall have been filed a certificate (prepared as described in subsection (c) or (d) below) demonstrating fulfillment of the Parity Requirement, commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued no longer will be paid from the proceeds of such series of Future Parity Bonds.

(b) *No Certificate Required.* The certificate described in the foregoing subsection (a)(3) shall not be required as a condition to the issuance of Future Parity Bonds:

(1) if the Future Parity Bonds being issued are for the purpose of refunding outstanding Parity Bonds and the annual debt service requirements for each year in which Parity Bonds are then outstanding are not increased as a result of the refunding; or

(2) if the Future Parity Bonds are being issued to pay costs of construction of facilities of the Port Facilities for which Parity Bonds have been issued previously and the principal amount of such Future Parity Bonds being issued for completion purposes does not exceed an amount equal to an aggregate of 15% of the principal amount of Parity Bonds theretofore issued for such facilities and reasonably allocable to the facilities to be completed as shown in a written certificate of the City and Borough Representative, and there is delivered a Consultant's certificate stating that the nature and purpose of such facilities has not materially changed.

(c) *Certificate of the City and Borough Without A Consultant.* If required pursuant to the foregoing subsection (a)(3), a certificate may be delivered by the City and Borough (executed by the City and Borough Representative) without a Consultant if Port Development Fee Revenues for the Base Period (confirmed by an independent auditor) conclusively demonstrate that the Parity Requirement will be fulfilled commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued will not be paid from the proceeds of such series of Future Parity Bonds.

(d) *Certificate of a Consultant.* Unless compliance with the requirements of subsection (a)(3) have been otherwise satisfied (as provided in (b) or (c) above), compliance with the Parity Requirement shall be demonstrated conclusively by a certificate of a Consultant.

In making the computations of Port Development Fee Revenues for the purpose of certifying compliance with the Parity Requirement, the Consultant shall use as a basis the Port Development Fee Revenues for the Base Period. Such Port Development Fee Revenues shall be determined by adding the following:

(1) The historical Port Development Fee Revenues of the City and Borough for any 12 consecutive months out of the 30 months immediately preceding the month of delivery of the Future Parity Bonds being issued as determined by a Consultant; and

(2) The estimated annual revenue to be derived from any additional fees and charges that have been established by the Assembly as new Port Development Fee Revenues that have not been previously included in any of the sources of net revenue described in this subsection (d).

(e) *Subordinate Lien Obligations.* Nothing herein contained shall prevent the City and Borough from issuing revenue bonds or other obligations which are a charge upon the Port Development Fee Revenues junior or inferior to the payments required by this ordinance to be made out of such Revenue to pay and secure the payment of any outstanding Parity Bonds.

(f) *Refunding Obligations.* Nothing herein contained shall prevent the City and Borough from issuing revenue bonds to refund maturing Parity Bonds for the payment of which moneys are not otherwise available.

Section 16. Lost, Stolen or Destroyed Bonds. In case a Bond shall be lost, stolen or destroyed, the Bond Registrar may authenticate and deliver a new Bond of like amount, date and tenor to the owner thereof upon the owner's paying the expenses and charges of the Bond Registrar and the City and Borough in connection therewith and upon his filing with the Bond Registrar and the City and Borough evidence satisfactory to both that such Bond was actually lost, stolen or destroyed and of his ownership thereof, and upon furnishing the City and Borough and the Bond Registrar with indemnity satisfactory to both.

Section 19. Supplements and Amendments.

(a) *Without Consent of Owner.* The City and Borough from time to time and at any time may adopt an ordinance or ordinances supplemental hereof, which ordinance or ordinances thereafter shall become a part of this ordinance, for one or more or all of the following purposes:

(1) To add to the covenants and agreements of the City and Borough in this ordinance contained and other covenants and agreements thereafter to be observed, which shall not adversely affect the interests of the owners of the Bonds, or to surrender any rights or power herein reserved to or conferred upon the City and Borough.

(2) To make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this ordinance in regard to matters or questions arising under the ordinance as the Assembly may deem necessary or desirable and not inconsistent with the ordinance and which shall not adversely affect the interest of the owner of Parity Bonds.

Any such supplemental ordinance of the Assembly may be adopted without the consent of the owner of the Bonds at any time outstanding, notwithstanding any of the provisions of this section.

(b) *With Owner's Consent.* With the consent of the owners of Parity Bonds, the Assembly of the City and Borough may adopt an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this ordinance or of any supplemental ordinance; provided, however, that no such supplemental ordinance shall extend the fixed maturity of the Bonds, or reduce the rate of interest thereon, or extend the time of payments of interest from their due date, or reduce the amount of the principal thereof, or reduce any premium payable on the redemption thereof without the consent of the owner of each Parity Bond so affected.

It shall not be necessary for the consent of the owner under this subsection to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

(c) *Effective Date of Modification.* Upon the adoption of any supplemental ordinance pursuant to the provisions of this section, this ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations of the City and Borough under this ordinance shall thereafter be determined, exercised and enforced thereunder,

The conditions contained in Ordinance Serial No. 2014-01 having been complied with or assured, the payments required herein to be made out of the Port Development Fee Fund out of the Port Development Fee Revenues into the Bond Fund, including the Reserve Account, to pay and secure the payment of the principal of and interest on the Bonds of a series shall constitute a lien and charge upon Port Development Fee Revenues equal in rank with the lien and charge thereon for the payments required to be made for the Outstanding Parity Bonds.

Section 21. Severability. If any one or more of the covenants or agreements provided in this ordinance to be performed on the part of the City and Borough shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements in this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the Bonds.
