Please explain, with specificity, your reasons for applying to serve on this particular board.

I love recreating in Juneau. Not only do I take advantage of the public facilities, I also work at treadwell and see first hand all of the work the city puts in to provide for the public, I also see gaps in the recreation opportunities in this town. I went to school for outdoor skills and leadership, as well as recreation administration classes. There is a way to bring more life to this town, and make the locals feel like they are the reason we are providing these resources. Juneau people need to feel just as special year round as the tourists do once a year.
