Please explain, with specificity, your reasons for applying to serve on this particular board.

I was born in Juneau and have been a long time resident of Juneau to which I call my home. My father, Robert Williams, was a very active member of our community and I spent many years going to softball and basketball games that were at least in part facilitated by Juneau P&R. My children spent the majority of their school years in Juneau and have actively participated in many P&R activities. I now am caring for my grandson to which I am also getting involved in P&R activities. I have been a very active member of our local and regional Tribal Organizations. I have an extensive background in our culture and language. I have also been a public servant to Juneau and have spent over 18 years employed with local Tribal Organizations or the State of Alaska. I think that this background and these experiences will enable me to provide a voice that represents our Juneau community as a whole and our local and regional Tribal community members.
