Please explain, with specificity, your reasons for applying to serve on this particular board.

I was born and raised in Juneau and appreciate the parks and recreation department for all they do. I frequent many of the facilities and participate in adult sports every year. The parks are a huge asset to this community and I know many families, including my own, spend many hours enjoying them. I believe that the more opportunities our community can provide Juneau citizens to go out and be active has a direct effect on the happiness of the people. My purpose for applying for this position is to give back in some way and assist if there is need. If there is any way I can help our community continue to offer the services and facilities I find so important, I would love the opportunity to do so.
