MEMORANDUM

DATE: July 26, 2023
TO: Zane Jones, Chair, Historic Resources Advisory Committee
FROM: Scott Ciambor, Planning Manager
SUBJECT: Certified Local Government (CLG) Grant and Juneau Townsite Historic Building Survey, Phase II Draft

In your packet are materials for the CLG grant and discussion on the Juneau Townsite Historic Building Survey, Phase II Draft.

CLG Grant Tracker

For the CLG grant, a grant tracker shows the steps taken so far and a timeline for completion of the Juneau Townsite Historic Building Survey, Phase II Draft. Also, CBJ will be utilizing HRAC member meeting participation as a matching component of the grant – so participation at this meeting will help.

Juneau Townsite Historic Building Survey, Phase II Draft

Northwind Architects has provided a Phase II draft survey for HRAC to review and provide commentary.

- The survey builds on the work from Phase I -- meaning all information for Phase I & II is combined into a document that closely resembles a final document for submission.
- At the end of this memo is a table that shows the additional material added to the document to help with the review. Feedback on the entire document is encouraged, but for those who've already commented on Phase I material – this should help.
- HRAC comments can be made in time for the August 2 meeting or afterwards until August 17, 2023 to either myself or Northwind Architects staff.
