Please explain, with specificity, your reasons for applying to serve on this particular board.

I have been serving on boards for a number of years as I have moved around the country. Now that I am back home in Alaska, it would give me great pleasure to be able to serve our community and recommend to the assembly potential actions that they can take to assist the community with housing and economic development. The Planning and Zoning Committee more than any other committee can help shape the future of a community through recommendations to the assembly to modify land use for commercial development, preserve historic resources and place, and to ensure proper environmental review is completed prior to any actions are taken.
