 - b. Transgender Town Hall Planning: Our Transgender Town Hall will be held on September 28, 2023 from 6:30-8:00 pm. The Mendenhall Valley Public Library only books 8-weeks ahead, so Mary will see if the Egan Library is available. We worked on the revision of the flyer provided by Aidan, and Mary will turn it into a flyer that we can distribute.
 - c. Celebrating Black History Month 2024: No update to report.
 - d. Support Ukrainian Refugees: No update to report.
 - e. JHRC Meetings:
 - Meeting in the Summer: Typically we do not meet in the summer months due to lack of quorum with summer travel plans; however, there has been some interest in meeting to continue work on our projects. We discussed whether or not to meet in the summer and decided to meet once on July 18th.
 - Meeting in Person or via Zoom: Some of our members have difficulty connecting via zoom and others would not be able to participate if not able to participate through zoom. We decided to have hybrid meetings and use conference room 224 at City Hall and also have a zoom connection for our meetings; room 224 has zoom conference capabilities. Mary will let Di know to schedule the conference room. Training in the equipment will be needed for Paula and anyone else we think will be participating from City Hall.

- f. Annual Report: Since we are meeting in July, Mary will pull together a draft of an Annual Report that we will add to the July meeting date.
2. Draft Resolution on Human Rights Campaign's Municipal Equality Index regarding the areas noted for improvement:

Section 1. Upon adopting this resolution, the Assembly:

D. Will explore options to provide resources and support to JHRC for the purposes of addressing individual cases ~~and LGBTQ~~ of discrimination brought by Juneau residents.

We discussed removing specific language regarding the LGBTQ population when considering individual cases of discrimination brought forward by Juneau residents. If we find that cases brought to us exceed our scope, then we can discuss whether or not to request an extension of our charter to meet the identified needs.
