WHEREAS, certain public safety communication infrastructure improvements within the City and Borough of Juneau, Alaska (the “City and Borough”) are needed in order to meet the current and future needs of the City and Borough; and

WHEREAS, the new public safety communication infrastructure project described in Section 3 below (the “Project”) has been identified and approved by the Committee of the Whole as necessary to meet the needs of the City and Borough; and

WHEREAS, in order to provide funds for paying the cost of acquiring, constructing and equipping the Project, it is deemed necessary and advisable that the City and Borough issue and sell its unlimited tax levy general obligation bonds in the principal amount of not to exceed \$12,750,000 (the “Bonds”);

NOW, THEREFORE, BE IT ENACTED BY THE ASSEMBLY OF THE CITY AND BOROUGH OF JUNEAU, ALASKA:

Section 1. Classification. This ordinance is a noncode ordinance.

Section 2. Findings. The Assembly of the City and Borough hereby finds and declares that the acquisition, construction and equipping of the Project identified in Section 3 hereof is necessary and is in the best interest of the inhabitants of the City and Borough.

Section 3. Purposes. To improve public safety by improving communication infrastructure, including, but not limited to, the following, the Assembly has determined that the City and Borough is in need of certain public safety improvements including replacing the outdated radio communication system with a new system that will be Alaska Land Mobile Radio compliant.

The foregoing is herein referred to as the “Project.” The cost of all necessary architectural, engineering, design, and other consulting services, inspection and testing, administrative and relocation expenses, costs of issuance of the Bonds and other costs incurred in

connection with the Project that is approved by the electors shall be deemed capital improvement costs of the approved Project. The approved Project may be completed with all necessary furniture, equipment and appurtenances.

If the City and Borough shall determine that it has become impractical to accomplish any portion of the approved Project by reason of changed conditions or needs, incompatible development or costs substantially in excess of those estimated, the City and Borough shall not be required to accomplish such portions and shall apply Bond proceeds as set forth in this section.

Interest earnings on Bond proceeds may be used and applied by the City and Borough, at the direction of the City Manager or his or her designee, for the Project or for other public safety capital improvements or for the retirement of the Bonds or other general obligation bonds of the City and Borough.

If the approved Project has been completed in whole or in part, or its completion duly provided for, or its completion found to be impractical, the City and Borough may apply Bond proceeds or any portion thereof as provided in Section 10.10 of the Home Rule Charter.

In the event that the proceeds of sale of the Bonds, plus any other monies of the City and Borough legally available, are insufficient to accomplish the approved Project, the City and Borough shall use the available funds for paying the cost of those portions of the approved Project for which the Bonds were approved deemed by the Assembly most necessary and in the best interest of the City and Borough. No Bond proceeds shall be used for any purpose other than a capital improvement.

Section 4. Details of Bonds. The Assembly hereby authorizes the issuance of general obligation bonds in order to fund the costs of the Project described in Section 3 (the “Bonds”). The Bonds shall be sold in such amounts and at such time or times as deemed necessary and advisable by the Assembly and as permitted by law and shall mature over a period of up to 10 years of date of issue. The Bonds shall be issued in an aggregate principal amount of not to exceed \$12,750,000. The Bonds shall bear interest to be fixed at the time of sale or sales thereof. Both principal of and interest on the Bonds shall be payable from annual tax levies to be made upon all of the taxable property within the City and Borough, without limitation as to rate or amount and in amounts sufficient with other available funds, to pay such principal and interest as the same shall become due.

The full faith, credit, and resources of the City and Borough are hereby irrevocably pledged to the payment of both the principal and interest on such Bonds. The exact form, terms, conditions, contents, security, options of redemption, and such other matters relating to the issuance and sale of said Bonds as are deemed necessary and advisable by the Assembly shall be as hereinafter fixed by ordinance and resolution of the City and Borough.
