Please explain, with specificity, your reasons for applying to serve on this particular board.

I have been a registered nurse for 30 years and worked at Bartlett as an educator and a house supervisor from 2007-2012. I have also served on the hiring committee for the hospital CEO previously. I have a Master's degree in nursing and believe that I bring a great deal of knowledge that would be useful to the hospital board. I also care deeply about Bartlett and have maintained an interest in the hospital in the years since I have left employment at Bartlett. I am committed to my job with the school district and have a special interest in children, women's issues, multi-cultural needs, and the needs of Juneau and the surrounding community. I am committed to learning and am willing to be mentored and guided in learning what is necessary to serve effectively. I have served on the board for the past 18 months. My work is important to me and I hope to continue to serve our community on this board.

Lead nurse for the Juneau School District. I have served on the School Health Nurse Advisory Committee for the past three years with the State of Alaska which is also affiliated with the Alaska School Nurses Association. I am also the Chairman of the Board of Trustees for the APEA-AFT Health and Welfare Trust. The health trust administers and manages the employee health plan for the JESS union members (classified staff for the Juneau School District). I have served as a trustee for almost seven years and as Chairman for almost four years. I complete education every year so that I am effective in this role. This education also supports my work and role on the hospital board of directors.

Employment/Volunteer History: Please list any previous work or volunteer experience you have serving on a board.

I have participated in numerous projects; most recently, an update for the Medication Course for unlicensed staff. I serve as a nurse leader on this committee. My trustee work for the Health and Welfare Trust has involved over four years of learning to serve effectively. I am especially happy with the work that the trustees and I have done for our members. All of this work is voluntary. I have served on the hospital board for a year and a half. I am the chair of the governance committee and serve on the quality committee. I love my work on the board and I hope you will allow me to continue to serve.

Education/Training: Please list both formal and informal education & training experiences:

I have a master's degree in Nursing from Ball State University (2005). I have also attended education annually since I became a trustee for the health and welfare trust. This education is provided by the International Federation of Employee Benefit Plans and is highly respected in the field of employee benefits. I have completed the Master trustee program and the advanced leadership summit this week. I have served as a Trustee for almost seven years. My experience as a registered nurse and my trustee experience has provided me with a strong knowledge of health care and health care benefits. My knowledge and experience as a nurse and as a trustee are a great benefit in my work on the hospital board.
