Please explain, with specificity, your reasons for applying to serve on this particular board.

I have served as a member of the Docks and Harbors from early 2021-2023 and was the assigned liaison to the Planning Commission's work. Over the last several years, it is greatly apparent we have significant housing related needs which need to be addressed. But more so, the cruise season of 2023 has shown there is a significant amount of unintended consequences which must be evaluated and addressed in the immediate future. Our city's resources have been overwhelmed and Juneau citizens are taking the full force of that impact with reduced communication services and public transportation. I want to be part of a meaningful conversation and assessment of development in Juneau which puts year-round citizens needs at the top of the list. I was a dependable and professional member of the Docks & Harbor's board and have worked well with my colleagues to move forward in addressing COVID-19 challenges and revenue shortfalls. I was also the lead member in address liveaboard needs and concerns which are continuing to be viewed as affordable housing within our community. I am a reasonable person who listens and am driven to accurately represent the public in which I would be appointed to serve.
