#### Reasons for Applying

I've been a season pass holder for 40 years and have seen a great deal of both good and bad decisions that were made concerning the well being of our community owned ski area. My knowledge of Eaglecrest and my commitment to it's success in the future are paramount for my reasons to apply for this board.

#### Qualifications

As I mentioned, I'm a longtime season pass holder. I feel that I am vested in the operation and will bring a unique perspective to the Board's goals and potential achievements since I grew up on the mountain; basically I care. I have a good understanding of what the public expects and a realistic point of view on delivering on those

expectations.

I'm a 1984 Juneau-Douglas Graduate, I've been a volunteer at KTOO-TV from 1986 - 1989 and I'm also a retired Heli-Ski Guide active from 2005 - 2013. I'm the owner/operator of H-Block Construction, LLC 2015 - present.

**Civic Activities, Memberships or Non-profits Involved With**

I testified before the Assembly concerning ATV use in N. Douglas at the City owned rock quarry, I was a member of the National Photographers Association from 1989 - 1991 and I was an annual instructor for Guide School at Alaska Heliskiing from 2006 - 2013. Member in good standing with the North Douglas Ski Bum Association 1979 - present.

**Working with a Group**

As a business owner in Juneau, my responsibilities to both my clients and my staff are of utmost importance to me. The key to success for me has been a willingness to listen and understand my clients needs, while at the same time, working with my staff to ensure that those needs are met in a timely fashion. Your reputation and your word are all you have in this world! By communicating well, a great deal of conflict can be avoided.
