Subject: Request for FY 2024 funds

Dear CBJ Finance

The Juneau Commission on Aging would like to request \$15,000 for the upcoming fiscal year in order to move some of our projects forward. We remain focused on getting ADA/FHA language into the CBJ Building code, as well as working with local partners (SREC, SERRC) to develop new healthcare workers, in particular to serve elders. We are also poised to roll out discrete projects per the 2020 Senior Needs Survey and upcoming “Listening Session” in May to increase elders’ access to outdoor recreational and social opportunities. For this last category we will partner with Parks and Rec and likely dedicate our budget to prompting or adding to projects Parks and Rec already have in the works. That is to say it is almost certain the \$15,000 requested will stay “in house” with CBJ.

Thank you for your consideration.

Sincerely

Emily Kane
