3 The Juneau Police Department shall establish policies and procedures for the use of body  
4 worn cameras and the release of video footage.

5 **55.60.020 Release of body worn camera footage in officer use of deadly force that**  
6 **results in serious physical injury or death. ~~involved traumatic incidents.~~**

7 When an officer use of force incident occurs where the use of force causes death or serious  
8 physical injury to an officer or another person. ~~If a traumatic incident occurs involving Juneau~~  
9 ~~police officers,~~ the Juneau Police Department will proceed as follows:

18 information to provide context based on the evidence available at the time

- 20 (C) Footage will not be released if JPD is in receipt of a valid court order  
21 prohibiting release or is otherwise prohibited by law.

- 24 (A) The prosecuting authority may request, in writing, up to a 10-day delay in  
25 the release of video to the public. In its request, the prosecuting authority  
should explain, with specificity, the interference or jeopardy that justifies

6 final decision granting a delay ultimately resting with the manager.

7 (i) Only one 10-day delay may be requested.

8 (ii) If granted, the manager shall inform the assembly, at the next  
9 scheduled meeting, of the delay.

11 explanation for delay shall be released to the public.

12 (B) The manager or chief of police retain the discretion to identify  
13 circumstances under which the release of the video must be delayed to  
14 protect:

16 bystanders, or other third parties; or

17 (ii) Confidential sources or investigative techniques.

18 (C) If delayed by the manager or chief of police, in no case shall a delay exceed  
19 the end of the investigation 10 days. The video imagery in question shall  
20 be released as soon as the reason for delay has been resolved.

21 (D) If delayed by the manager or chief of police, ~~upon release of the video,~~ an  
22 explanation for delay shall be released to the public no later than 30 days  
23 from the date of the incident.
