If the Bonds are sold in more than one series, the principal maturities of a series shall be applied to reduce the foregoing schedule as provided in the resolution approving the sale of that series; provided that in the aggregate the foregoing estimated principal amounts in any year are increased or decreased by no more than 15%, and *provided, further*, in the aggregate, the Bonds shall be issued in principal amounts that provide no more than \$22,750,000 (principal amount plus premium, if any, less costs of issuance) in net proceeds or \$22,750,000 in principal amount, whichever is less.

#### **Section 4. Registration, Exchange and Payments.**

(a) *Bond Registrar/Bond Register.* The City Manager or his/her designee is hereby authorized and directed to solicit proposals from and select a financial institution to act as authenticating agent, paying agent and bond registrar for each series of Bonds (the “Bond Registrar”) and to enter into a Registrar Agreement with the Bond Registrar pursuant to which the Bond Registrar will perform the duties specified for the Bond Registrar under this ordinance and hold and invest certain funds (Bond proceeds and debt service money) from time to time. The form of the Registrar Agreement shall be subject to the approval of the City and Borough

Representative, which approval shall be presumed upon the execution thereof by the City and Borough Representative. So long as any Bonds of a series remain outstanding, the Bond Registrar shall make all necessary provisions to permit the exchange or registration of transfer of such series of Bonds at its principal corporate trust office. The Bond Registrar may be removed at any time at the option of the City and Borough Representative upon 30-day prior notice to the Bond Registrar, DTC, each entity entitled to receive notice pursuant to Section 14, and a successor Bond Registrar appointed by the City and Borough Representative. No resignation or removal of the Bond Registrar shall be effective until a successor shall have been appointed and until the successor Bond Registrar shall have accepted the duties of the Bond Registrar hereunder. The Bond Registrar is authorized, on behalf of the City and Borough, to authenticate and deliver such series of Bonds transferred or exchanged in accordance with the provisions of such series of Bonds and this ordinance and to carry out all of the Bond Registrar's powers and duties under this ordinance. The Bond Registrar shall be responsible for its representations contained in the Certificate of Authentication on such series of Bonds.

(b) *Registered Ownership.* The City and Borough and the Bond Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond of a series as the absolute owner thereof for all purposes (except as provided in Section 14 of this ordinance), and neither the City and Borough nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such Bond of a series shall be made only as described in Section 4(h) hereof, but such Bond may be transferred as herein provided. All such payments made as described in Section 4(h) shall be valid and shall satisfy and discharge the liability of the City and Borough upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letter of Representations.* To induce DTC to accept the Bonds as eligible for deposit at DTC, the City and Borough has executed and delivered to DTC a Letter of Representations.

Neither the City and Borough nor the Bond Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees (or any successor depository) with respect to the Bonds in respect of the accuracy of any records maintained by DTC (or any successor depository) or any DTC participant, the payment by DTC (or any successor depository) or any DTC participant of any amount in respect of the principal of or interest on Bonds of a series, any notice which is permitted or required to be given to Registered Owners under this ordinance (except such notices as shall be required to be given by the City and Borough to the Bond Registrar or to DTC (or any successor depository), or any consent given or other action taken by DTC (or any successor depository) as the Registered Owner. For so long as any Bonds of a series are held in fully-immobilized form hereunder, DTC or its successor depository shall be deemed to be the Registered Owner for all purposes hereunder (except as provided in Section 14), and all references herein to the Registered Owners shall mean DTC (or any successor depository) or its nominee and shall not mean the owners of any beneficial interest in such Bonds.

If any Bond shall be duly presented for payment and funds have not been duly provided by the City and Borough on such applicable date, then interest shall continue to accrue thereafter on the unpaid principal thereof at the rate stated on such Bond until such Bond is paid.

(d) *Use of Depository.*

(1) The Bonds shall be registered initially in the name of “CEDE & Co.”, as nominee of DTC, with one Bond maturing on each of the maturity dates for each series of Bonds in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such immobilized Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the City and Borough Representative pursuant to subsection (2) below or such substitute depository’s successor; or (C) to any person as provided in subsection (4) below.

(2) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the City and Borough Representative to discontinue the system of book-entry transfers through DTC or its successor (or any substitute depository or its successor), the City and Borough Representative may hereafter appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) In the case of any transfer pursuant to clause (A) or (B) of subsection (1) above, the Bond Registrar shall, upon receipt of all outstanding Bonds of a series, together with a written request from the City and Borough Representative, issue a single new Bond for each maturity of such series then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the City and Borough Representative.

(4) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the City and Borough Representative determines that it is in the best interest of the Beneficial Owners of the Bonds of such series that such owners be able to obtain such Bonds in the form of Bond certificates, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held in fully-immobilized form. The City and Borough Representative shall deliver a written request to the Bond Registrar, together with a supply of definitive Bonds of such series, to issue Bonds of such series as herein provided in any authorized denomination. Upon receipt by the Bond Registrar of all then outstanding Bonds of such series together with a written request on behalf of the Assembly to the Bond Registrar, new Bonds of such series shall be issued in the appropriate denominations and registered in the names of such persons as are requested in such written request.

(e) *Registration of Transfer of Ownership or Exchange; Change in Denominations.* The transfer of any Bond of a series may be registered and Bonds of such series may be exchanged, but no transfer of any such Bond shall be valid unless such Bond is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner’s duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond of such series and shall authenticate and deliver, without charge to the Registered Owner or transferee

therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same series, date, maturity, redemption provisions and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Bond Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same series, date, maturity, redemption provisions and interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to register the transfer or to exchange any Bond during the 15 days preceding the date any such Bond is to be redeemed.

(f) *Bond Registrar's Ownership of Bonds.* The Bond Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Bond Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as member of, or in any other capacity with respect to, any committee formed to protect the right of the Registered Owners of Bonds.

(g) *Registration Covenant.* The City and Borough covenants that, until all Bonds of a series have been surrendered and cancelled, it will maintain a system for recording the ownership of each Bond of such series that complies with the provisions of Section 149 of the Code.

(h) *Place and Medium of Payment.* Both principal of and interest on each series of Bonds shall be payable in lawful money of the United States of America. Interest on each series of Bonds shall be calculated on the basis of a 360-day year and twelve 30-day months. For so long as all Bonds of a series are in fully immobilized form, payments of principal and interest shall be made as provided to the parties entitled to receive payment as of each Record Date in accordance with the operational arrangements of DTC referred to in the Letter of Representations.

In the event that such series of Bonds are no longer in fully immobilized form, interest on such series of Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register as of the Record Date, and principal of such series of Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the principal office of the Bond Registrar; provided, however, that if so requested in writing by the Registered Owner of at least \$1,000,000 principal amount of such series of Bonds, interest will be paid by wire transfer on the date due to an account with a bank located within the United States.

## **Section 5. Redemption and Purchase of Bonds.**

(a) *Optional Redemption.* Each series of Bonds may be subject to optional redemption on the dates, at the price of par, and under the terms set forth in the Bond Purchase Agreement for such series of Bonds approved by the City and Borough Representative pursuant to Section 13.

(b) *Mandatory Redemption.* Each series of Bonds may be subject to mandatory redemption to the extent, if any, set forth in the Bond Purchase Agreement for such series of Bonds and as approved by the City and Borough Representative pursuant to Section 13.

(c) *Purchase of Bonds for Retirement.* The City and Borough reserves the right to purchase any of the Bonds of a series offered to the City and Borough at any price deemed reasonable to the City and Borough Representative.

(d) *Effect of Optional Redemption/Purchase.* To the extent that the City and Borough shall have optionally redeemed or purchased any Term Bonds prior to their scheduled mandatory redemption of such Term Bonds, the City and Borough may reduce the principal amount of the Term Bonds to be redeemed in like aggregate principal amount. Such reduction may be applied in the year specified by the City and Borough Representative.

(e) *Selection of Bonds for Redemption.* As long as the Bonds are held in book-entry only form, the selection of Bonds within a series and maturity to be redeemed shall be made in accordance with the operational arrangements in effect at DTC. If the Bonds are no longer held in uncertificated form, the selection of such Bonds within a series and maturity to be redeemed shall be made as provided in this subsection (e). If the City and Borough redeems at any one time fewer than all of the Bonds having the same series and maturity date, the particular Bonds or portions of Bonds of such series and maturity to be redeemed shall be selected by lot (or in such other manner determined by the Bond Registrar) in increments of \$5,000. In the case of a Bond of a denomination greater than \$5,000, the City and Borough and Bond Registrar shall treat each Bond as representing such number of separate Bonds each of the denomination of \$5,000 as is obtained by dividing the actual principal amount of such Bond by \$5,000. In the event that only a portion of the principal sum of a Bond is redeemed, upon surrender of the such Bond at the principal office of the Bond Registrar there shall be issued to the Registered Owner, without charge therefor, for the then unredeemed balance of the principal sum thereof, at the option of the Registered Owner, a Bond or Bonds of like series, maturity and interest rate in any of the denominations herein authorized. If Bonds are called for optional redemption, portions of the principal amount of such Bonds, in installments of \$5,000 or any integral multiple of \$5,000, may be redeemed. If less than all of the principal amount of any Bond is redeemed, upon surrender of such Bond at the principal office of the Bond Registrar there shall be issued to the registered owner, without charge therefor, for the then unredeemed balance of the principal amount thereof, a new Bond or Bonds, at the option of the Registered Owner, of like series, maturity and interest rate in any denomination authorized by this ordinance.

(f) *Notice of Redemption.*

(1) Official Notice. Unless waived by any owner of Bonds to be redeemed, official notice of any such redemption (which notice may be conditional) shall be given by the Bond Registrar on behalf of the City and Borough by mailing a copy by first class mail or by electronic notification of an official redemption notice at least 20 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All official notices of redemption shall be dated and shall state:

(A) the redemption date,

- (B) the redemption price,
- (C) if fewer than all outstanding Bonds are to be redeemed, the identification by series, maturity (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (D) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- (E) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Bond Registrar.

On or prior to any redemption date, the City and Borough shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

(2) Effect of Notice; Bonds Due. If an unconditional notice of redemption has been given, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City and Borough shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same series and maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

(3) Additional Notice. In addition to the foregoing notice, further notice shall be given by the City and Borough as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all Bonds being redeemed; (B) the date of issue of the Bonds as originally issued; (C) the rate of interest borne by each Bond being redeemed; (D) the maturity date of each Bond being redeemed; and (E) any other descriptive information needed to identify accurately the Bonds being redeemed. Each further notice of redemption may be sent at least 20 days before the redemption date to the insurer, if any, the party entitled to receive notice pursuant to Section 14, and to the Underwriter for such series of Bonds or to its business successor, if any, and to such persons and with such additional information as the City and Borough

Representative shall deem appropriate, but such mailings shall not be a condition precedent to the redemption of such Bonds.

(4) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(5) Amendment of Notice Provisions. The foregoing notice provisions of this Section 5, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

The City and Borough further covenants that it will comply with any limitations on the use of the projects by other than state and local governmental users that are necessary, in the opinion of its bond counsel, to preserve the tax status of the Bonds. The covenants of this section are specified solely to assure the continued exemption from regular income taxation of the interest on the Bonds. To that end, the provisions of this section may be modified or eliminated without any requirement for formal amendment thereof upon receipt of an opinion of the City and Borough's bond counsel that such modification or elimination will not adversely affect the tax status of the Bonds.
