Please explain, with specificity, your reasons for applying to serve on this particular board.

I've always been interested in history and learning more about where I've lived. I had a minor in history at Boston University despite getting a film degree, because of how much I loved learning about history. The reason I'm applying to this board specifically is because of my love for the subject and wanting to make sure everyone has access to the educational materials we have available.

Please select the type of board seat for which you are applying *

General Public Seat

Please list any organizations for which you currently serve as a board member, officer, or employee.

City and Borough of Juneau, Parks and Recreation Department

Employment/Volunteer History: Please list any previous work or volunteer experience you have serving on a board.

My work experience involving boards is only working as the staff liaison for the Parks and Recreation Advisory Committee.

Education/Training: Please list both formal and informal education & training experiences:

I have a minor in History from Boston University, and as far as Juneau history goes, I recently went through all of the historical records of the Parks and Recreation Department. I had to read through them anyways to determine if they were within record retention guidelines, but I took my time when it came to the written histories of the different parks and neighborhoods of Juneau. I've even kept a binder of detailed history of the parks handy at my desk so I can reference it for any queries that come through.

Licenses/Certifications etc... Please list any professional licenses, certifications, or registrations that may be considered a qualifying criteria for the board to which you are applying.
