Please explain, with specificity, your reasons for applying to serve on this particular board.

I would like to serve on this board because I feel that a healthy and sustainable economic climate is key to a healthy community. A healthy community fosters a positive environment for personal growth and that in return feeds into the community in a positive manner. Coming from a household that was supported by a family run small business I've seen it first hand. A strong working class drives an economy where everyone has the ability to prosper. It starts with early childhood education and continues through business opportunity. Both of which, I feel, should be locally focused.
