**Please explain, with specificity, your reasons for applying to serve on this particular board.**

I have been looking for opportunities to give back to this community and become more involved in local government. Towards that end, I attended the recent How To Run for Local Office Workshop presented by the League of Women Voters. I am not in a space to run for office right now, but during the training, panelists reminded us that participating as a Board member is another meaningful way to contribute. The vacancy on the Personnel Board for a management representative seemed like a perfect fit! As you will note from the resume I submitted in support of my application, I have extensive experience in management-side labor relations, including hearing and responding to employee grievances and developing agency policy. I have a good record of building and maintaining respectful relationships with my counterparts in labor. I would be happy to provide any additional information you need to evaluate my suitability for this role. Thank you for considering me for this position!
