2. AUTHORITY

This Lease is entered into pursuant to the authority of City Code: CBJ 85.02.060(a)(5) and CBJ Chapter 53.20; and CBJ Ordinance No. 2025-___ presented to the Assembly on ____, 2025. Should the Assembly fail to pass Ordinance No. 2025-___ or Ordinance No. 2025-___ fails to take effect, this lease is void.

3. TERM

The effective date of this lease shall be the date this lease is signed by the City. This lease revokes all prior leases between the parties. The term of the lease is 35 years, commencing on the effective date of the lease, unless terminated earlier by mutual written agreement or by either party pursuant to the terms of

this Lease.

4. LEASE PAYMENTS AND ADJUSTMENTS

(a) Base rent shall be set at nine percent (9%) of the appraised value of the Leased Premises, including air rights, without consideration of lease restrictions.

(b) Base Rent for City fiscal years 2026 through 2030 (the period from July 1, 2025 through June 30, 2030) is \$272,007 per year. **The Base Rent will be prorated from the effective date.**

(c) Beginning with the first year after the initial five-year period of the term, the Port Director will re-evaluate and adjust the annual lease payment for the Leased Premises for the next five-year period of this lease, and then every five years thereafter, pursuant to Appendix B, Section 3(2) of this lease, CBJ 53.20.190(2), CBJ 85.02.060(a)(5), and the Docks and Harbors lease administration regulations, 05 CBJAC Chapter 50. The new annual lease payment amount shall be paid retroactively to the beginning of that lease payment adjustment period.

(d) Lessee shall pay all appraisal costs associated with re-evaluating and adjusting the annual lease payment.

(e) The basis of the appraisal shall be the fair market value of the unimproved land of the Leased Premises, including the Air Rights Easements at its highest and best use. The appraisal shall not consider any buildings or structural improvements above or below ground, landscaping, or paving. -The appraisal shall consider the Leased Premises as unimproved land without consideration of any lease restriction.

(f) Both the Docks and Harbors port director and the Lessee will simultaneously select and compensate a certified appraiser who will provide each with an initial appraisal 90 days before the date of the five-year adjustment period for setting the rent. The parties intend that the appraisers, while working in their independent capacity, will use the same methodology in appraising the property. Upon completion of their respective appraisals, the appraisals will be exchanged by the parties on the same date. The following resolutions will arise depending on the differences in the amount of the two appraisals for purposes of setting the rent:

(i) Less than 15 percent difference. If the difference between the Docks and Harbors appraisal and the Lessee's appraisal (with difference calculated from the higher of the two appraisals) is less than 15 percent, then the fair market value for rent calculations will be an average of the Docks and Harbors appraisal and the Lessee's appraisal.

(ii) More than 15 percent difference but less than 35 percent difference. If the difference between the Docks and Harbors appraisal and the Lessee's appraisal (with difference calculated from the higher of the two appraisals) is more than 15 percent but less than 35 percent, then the parties shall engage in the cost of a third independent certified appraiser. If the third independent appraisal is higher than the high initial appraisal, the high initial appraisal provides the appraised amount for setting the rent. If the third independent appraisal is lower than the low initial appraisal, then the low initial appraisal provides the appraised amount for setting the rent. If the third independent appraisal is in between the high initial appraisal and the low initial appraisal, then the fair market value outlined in the third appraisal provides the appraised amount for setting the rent. The third-party independent appraiser shall be selected jointly by the two appraisers conducting the initial appraisal. If they fail to agree on a third appraiser within thirty (30) days, each party will submit to the Lessor and Lessee a list of their top five appraisers with the top match from each being selected. If there is no overlap in the initial list of appraisers, the process of submitting five appraisers will continue until a selection occurs.

(iii) More than 35 percent difference. If the difference between the Docks and Harbors appraisal and the Lessee's appraisal (with the difference calculated from the higher of the two appraisals) is greater than 35 percent, the Docks and Harbors board shall pay for an additional appraisal by a third independent certified appraiser and have that appraisal undertaken in accordance with 05 CBJAC 50.050. After reviewing the additional appraisal, the Docks and Harbors board shall establish the fair market value of the Leased Premises to calculate the lease rent. If the lessee disagrees with the amount, the lessee may appeal to the Assembly. The decision of the Assembly shall be final.

(g) In this section, "certified appraiser" means a regular member of the Society of Real Estate Appraisers or the American Institute of Real Estate Appraisers (or the successor body of either group) who has been properly designated MAI or any future similar designation which denotes proficiency in the appraisal of commercial-real property and who is listed as qualified by the Alaska Department of Natural Resources. Additionally, the third independent appraiser must be selected from a firm which did not participate in the initial appraisals.

5. AUTHORIZED USE OF LEASED PREMISES

The Leased Premises are to be used solely for the operation, maintenance, and repair of an aerial tramway base terminal and associated structures and uses in a manner that does not cause interference to the CBJ or third party users in the vicinity of the Leased Premises, and as provided in this Lease. The Leased Premises shall be used only for purposes within the scope of the application and the terms of the Lease, and in conformity with the provisions of the City and Borough Code, and applicable state and federal laws and regulations. Plans and specifications for tramway mechanical and cable systems must be prepared and certified by a mechanical engineer licensed in the State of Alaska. Such plans must be accepted by Lessor's authorized officer before the commencement of any work. Lessee may be required to furnish as-built plans, maps, or surveys upon the completion of construction.
- 3) Preconstruction and Construction Supervision. Preconstruction and construction activities must be

personally supervised by a qualified representative of Lessee, approved by Lessor's authorized officer. In the event that the Lessee's designated representative is unavailable, Lessee must either immediately designate a similarly qualified individual (and immediately seek approval by Lessor's authorized officer for the change) or all work must stop. In addition, Lessee must provide for all major construction activities to be supervised by a qualified engineer or architect licensed in the State of Alaska who is experienced in commercial construction. Construction of aerial passenger tramways must be supervised by an engineer qualified and experienced in this type of construction. Construction activities within the Lease site shall be minimized throughout the period of May through September to prevent disruption of tourist use of the cruise ship terminal. A detailed construction mobilization and staging plan shall be submitted to Lessor for approval.

4) Operations.

- a) Lessee shall maintain its facilities, improvements and operations on the Leasehold Lands to standards of repair, orderliness, neatness, sanitation, and safety generally applicable to general industry standards.
- b) A qualified representative(s) of Lessee, approved in advance by Lessor's authorized officer, shall conduct and manage all operations, services and facilities authorized by the Lease.
- c) The designated, approved representative(s) of Lessee shall be present at the resort, on or adjacent to the Leased Lands, at all times when the facilities authorized by the Lease are open to the public.
- d) The tramway shall be operated and maintained in accordance with the American National Standards Institute's Safety Requirements for Aerial and Surface Passenger Tramways and Surface Tows (B77.1)

5) Lift Inspections. Lessee shall have all passenger tramways inspected by a qualified mechanical engineer or tramway specialist registered in the State of Alaska. Inspections shall be made in accordance with the American National Standards Institute's Safety Requirements for Aerial and Surface Passenger Tramways and Surface Tows (B77.1) A certificate of inspection, signed by an officer of Lessee, attesting to the adequacy and safety of the installations and equipment for public use, shall be received by Lessor prior to public operation. Lessee shall make the certificate available to Lessor upon request and shall post the certificate in a conspicuous location available to the general public.

6) Damage to or Destruction of Improvements. In the event that any buildings, facilities, or improvements constructed or managed by Lessee located on the Leasehold Lands are declared unsafe or unfit for use or occupancy, Lessee shall immediately commence and diligently pursue to completion the necessary repair, replacement or reconstruction.

7) Operating Plan. Lessee or its designated representative shall prepare and annually revise by September 30 of each year an Operating Plan. The Operating Plan shall be prepared in consultation with the Lessor's authorized officer and cover winter and summer operations as appropriate. The provisions of the Operating Plan and the annual revisions submitted by Lessee shall become a part of the Lease. The Operating Plan shall consist of at least the following sections:

- 9) Temporary Suspension. Lessor reserves the right pursuant to law to suspend Lessee's operations, in whole or in part, in response to an immediate and direct threat to public health on municipal lands. Any such suspension shall occur only after consultation with Lessee and, if within the reasonable control of Lessee, after Lessee has been given an opportunity to resolve the threat in a timely manner and thereby prevent suspension of operations.

6. NO EXPRESS OR IMPLIED WARRANTY

The CBJ does not warrant, or make any representations whatsoever concerning, the adequacy, suitability or fitness for a particular purpose of the Leased Premises for Lessee's purposes, which determinations and risks are solely the responsibility of Lessee, as are all risks arising from potential interference due to CBJ or third party users or operations in the vicinity of the lease area.

7. PROTECTION OF EXISTING PROPERTY RIGHTS

Lessee shall follow any existing land and property rights including easements. Lessee shall place no building or structure over any portion of the Leased Premises which shall prevent the use of such rights.

8. TERMINATION

This Lease may be terminated in the following manner:

- (a) By written agreement of the parties.
- (b) By Lessee, in the event Lessee's improvements are substantially destroyed, by giving the CBJ 90 days written notice. Should Lessee elect to restore the same or construct other authorized improvements, this Lease shall continue in full force and effect. In either event, the parties shall have no duty to each other for loss of operation. Rent will not be reduced.
- (c) By Lessee, by giving the CBJ 90 days written notice of termination.
- (d) By the CBJ, in the event of default by Lessee. The condition of default must be conveyed in writing to the Lessee, providing thirty (30) days grace period during which Lessee may cure said default. Should Lessee fail to cure such default by the end of the grace period, this Lease shall automatically terminate and Lessee shall quit and restore the Leased Premises as described below.

Upon the termination of this Lease, Lessee shall quit the Leased Premises, unless otherwise agreed by the parties in writing, remove all improvements, and restore the Leased Premises to its pre-Lease condition.

9. DEFAULT

Delay in declaration of, or non-declaration of, default shall not waive or estop the CBJ from any subsequent declaration of default under this Lease.

10. DESIGNATION OF THE LESSEE'S REPRESENTATIVE

The Lessee must designate in writing the name and title of the person who is authorized to act in all matters connected with this Lease and keep such information current with the CBJ.

11. INSURANCE

Commercial General Liability Insurance

Lessee shall maintain at all times during this lease commercial general liability insurance, including marina operator's liability insurance, in the amounts of \$1,000,000 per occurrence and \$2,000,000 general aggregate. The insurance policy shall name City as an "Additional Insured" and shall contain a clause that the insurer will not cancel or change the insurance without first giving City 31 days' prior written notice. Lessee will provide evidence of this insurance to the City in a form acceptable to the City Office of Risk Management.

Property Insurance

Lessee acknowledges that City carries no fire or other casualty insurance on the Lease Premises or improvements located thereon belonging to Lessee, and that it is the Lessee's obligation to obtain adequate insurance for protection of Lessee's buildings, fixtures, or other improvements, or personal property located on the Leased Premises, and adequate insurance to cover debris removal.

**APPENDIX B: LEASE PROVISIONS REQUIRED BY
CBJ CHAPTER 53.20 and CBJ CHAPTER 50**

1. RESPONSIBILITY TO PROPERLY LOCATE ON LEASED PREMISES.

As required by CBJ 53.20.160, it shall be the responsibility of Lessee to properly locate Lessee's improvements on the Lease Premises and failure to so locate shall render Lessee's liable as provided by law.

2. APPROVAL OF OTHER AUTHORITIES.

As required by CBJ 53.20.180, the issuance by City of leases, including this lease, under the provisions of CBJ Title 53 does not relieve Lessees of responsibility for obtaining licenses, permits, or approvals as may be required by City or by duly authorized state or federal agencies.

3. TERMS AND CONDITIONS OF LEASES REQUIRED BY CBJ 53.20.190.

As required by CBJ 53.20.190, the following terms and conditions govern all leases and are incorporated into this lease unless modified by the Assembly by ordinance or resolution for this specific lease.

Modifications of the provisions of Appendix B applicable to this specific lease, if any, must specifically modify such provisions and be supported by the relevant ordinance or resolution to be effective.

(1) **Lease Utilization.** The Leased Premises shall be utilized only for purposes within the scope of the application and the terms of the lease, and in conformity with the provisions of City code, and applicable state and federal laws and regulations. Utilization or development of the Leased Premises for other than the allowed uses shall constitute a violation of the lease and subject the lease to cancellation at any time.

(2) **Adjustment of Rental.** Lessee agrees to a review and adjustment of the annual rental payment by the Port Director not less often than every fifth year of the lease term beginning with the rental due after completion of each review period. Any changes or adjustments shall be based primarily upon the values of comparable land in the same or similar areas; such evaluations shall also include all improvements, placed upon or made to the land, to which the City has right or title, excluding landfill placed upon the land by Lessee, except that the value of any improvements credited against rentals shall be included in the value.

Adjustment Dispute Resolution. Should the Lessee disagree with the lease rent adjustment proposed by the Port Director, the Lessee shall pay for an appraisal and have the appraisal undertaken in accordance with the requirements set out in 05 CBJAC 50.050. In the event the Docks and Harbors Board disagrees with an appraisal, and the Board cannot reach an agreement with the lessee on the lease rent adjustment, the Board shall pay for an additional appraisal and have the appraisal undertaken in accordance with the requirements set out in 05 CBJAC 50.050. The Board shall establish the lease rent adjustment based on this additional appraisal. In the event the Lessee disagrees with the lease rent adjustment, the lessee may appeal to the Assembly. The decision of the Assembly shall be final.

(3) **Subleasing.** Lessee may sublease Leased Premises, or any part thereof leased to Lessee hereunder; provided, that the proposed sub-lessee shall first apply to City for a permit therefore; and further provided, that the improvements on the Leased Premises are the substantial reason for the sublease. Leases not having improvements thereon shall not be sublet. Subleases shall be in writing and be subject to the terms and conditions of the original lease; all terms, conditions, and covenants of the underlying lease that may be made to apply to the sublease are hereby incorporated into the sublease. The Parties agree that any subleases in effect at the date of signing of this agreement may continue. The Lessee must provide a copy of any subleases in effect to the Lessor prior to the execution of this agreement.

(4) **Assignment.** Lessee may assign its rights and obligations under this lease; provided that the proposed assignment shall be approved by City prior to any assignment. The assignee shall be subject to all of the provisions of the lease. All terms, conditions, and covenants of the underlying lease that may be made applicable to the assignment are hereby incorporated into the assignment.

(5) **Modification.** The lease may be modified only by an agreement in writing signed by all parties in interest or their successor in interest.

(6) **Cancellation and Forfeiture.**

- (a) The lease, if in good standing, may be cancelled in whole or in part, at any time, upon mutual written agreement by Lessee and City.
- (b) City may cancel the lease if it is used for any unlawful purpose.
- (c) If Lessee shall default in the performance or observance of any of the lease terms, covenants or stipulations thereto, or of the regulations now or hereafter in force, or service of written notice by City without remedy by Lessee of the conditions warranting default, City may subject Lessee to appropriate legal action including, but not limited to, forfeiture of the lease. No improvements may be removed by Lessee or other person during any time Lessee is in default.
- (d) Failure to make substantial use of the land, consistent with the proposed use, within one year shall in the discretion of City with approval of the Assembly constitute grounds for default.

(7) **Notice or Demand.** Any notice or demand, which under the terms of a lease or under any statute must be given or made by the parties thereto, shall be in writing, and be given or made by registered or certified mail, addressed to the other party at the address of record. However, either party may designate in writing such new or other address to which the notice or demand shall thereafter be so given, made or mailed. A notice given hereunder shall be deemed delivered when deposited in a United States general or branch post office enclosed in a registered or certified mail prepaid wrapper or envelope addressed as hereinbefore provided.

(8) **Rights of Mortgage or Lienholder.** In the event of cancellation or forfeiture of a lease for cause, the holder of a properly recorded mortgage, conditional assignment or collateral assignment will have the option to acquire the lease for the unexpired term thereof, subject to the same terms and conditions as in the original lease.

(9) **Entry and Reentry.** In the event that the lease should be terminated as hereinbefore provided, or by summary proceedings or otherwise, or in the event that the demised lands, or any part thereof, should be abandoned by Lessee during the term, City or its agents, servants, or representative, may, immediately or any time thereafter, reenter and resume possession of lands or such thereof, and remove all personals and property there from either by summary proceedings or by a suitable action or proceeding at law without being liable for any damages therefor. No reentry by City shall be deemed an acceptance of a surrender of the lease.

(10) **Lease.** In the event that the lease should be terminated as herein provided, or by summary proceedings, or otherwise, City may offer the land for lease or other appropriate disposal pursuant to the provisions of City code.

(11) **Forfeiture of Rental.** In the event that the lease should be terminated because of any breach by Lessee, as herein provided, the annual rental payment last made by Lessee shall be forfeited and retained by City as partial or total damages for the breach.

(12) **Written Waiver.** The receipt of rent by City with knowledge of any breach of the lease by Lessee or of any default on the part of Lessee in observance or performance of any of the conditions or covenants of the lease, shall not be deemed a waiver of any provision of the Lease. No failure on the part of the City to enforce any covenant or provision therein contained, nor any waiver of any right thereunder by City unless in writing, shall discharge or invalidate such covenants or provisions or affect the right of City to enforce the same in the event of any subsequent breach or default. The receipt, by City, of any rent or any other sum of money after the termination, in any manner, of the term demised, or after the giving by City of any notice thereunder to effect such termination, shall not reinstate, continue, or extend the resultant term therein demised, or destroy, or in any manner impair the efficacy of any such notice or termination as may have been given thereunder by City to Lessee prior to the receipt of any such sum of money or other consideration, unless so agreed to in writing and signed by City.

(13) **Expiration of Lease.** Unless the lease is renewed or sooner terminated as provided herein, Lessee shall peaceably and quietly leave, surrender and yield up to the City all of the leased land on the last day of the term of the lease.

(14) **Renewal Preference.** Any renewal preference granted Lessee is a privilege and is neither a right nor bargained for consideration. The lease renewal procedure and renewal preference shall be provided by ordinance in effect on the date the application for renewal is received by the designated official.

(15) **Removal or Reversion of Improvement upon Termination of Lease.** Improvements owned by Lessee shall within sixty calendar days after the termination of the lease be removed by Lessee; provided, such removal will not cause injury or damage to the lands or improvements demised; and further provided, that City may extend the time for removing such improvements in cases where hardship is proven. Improvements owned by Lessee may, with the consent of the City, be sold to the succeeding Lessee.
