

Options in the Juneau School District 2023-2024 School Year

TUITION-FREE OPTIONAL PROGRAMS

Apply by April 21, 2023

Juneau Community Charter School

907-523-1679 / jccs.juneauschools.org

A K-8th grade school using natural resources as an extension of classrooms. Students experience learning first outdoors in nature during all seasons/weather. Our school depends upon family participation and commitment of 4 hr/mo of service for each child. Curriculum integrates project-based learning with lots of opportunities for children to work collaboratively.

Montessori Borealis Public School

907-523-1848 / mont.juneauschools.org

Children's House (ages 3, 4, K), Elementary (1-6 grade) and Adolescent Montessori Program (7-8). Open to all students in Juneau area. Children ages 3 & 4 pay tuition. Montessori approach accommodates each child's unique learning style & pace in a supportive atmosphere. For students with a wide range of academic achievement levels and backgrounds.

Tlingit Culture Language & Literacy

907-523-1850 / hves.juneauschools.org

TCLL is K-7 cultural immersion program working towards a dual language model. Tlingit language and culture are celebrated, respected, and integral to daily instruction of national standards. Housed in Harborview Elementary School and operated in partnership with Sealaska Heritage Institute, TCLL is open to students of all races, nationalities and abilities.

HomeBRIDGE

907-523-1821 / homebridge.juneauschools.org

In this home school program students can take up to 2 classes at their "base school" with no allotment reduction. Our teachers help you choose the best program for success. Computers and reference books help you on your way through the semester.
