

**New Seadrome Marina Building**  
**GOLDBELT**

## Introduction:

- CBJ Docks & Harbors (D&H) and Goldbelt have the opportunity to create better space for a new Seadrome facility.
- The first step is an even land exchange between Goldbelt and CBJ D&H to create more useful and unified properties for both parties.
- Improved property configurations will support small cruise ships with docking and a Seawalk that leads to the Egan Drive crosswalk.
- Goldbelt will rebuild the Seadrome building on the expanded site, establishing an iconic Alaskan Native facility on the waterfront to better support visitors.

## Actions:

1. An equal property exchange is made to optimize CBJ Docks & Harbors and Goldbelt lots.
2. Goldbelt demolishes the existing Seadrome and builds an improved facility on the newly consolidated property.
  - Meets Waterfront Design guidelines, Lands Management Plan, Support Revitalization Plan, and Small Cruise Ship Master Plan.
  - The facility will host mixed-use spaces that are complimentary to the waterfront.
