**<sup>1</sup> 29.07.100 Voting procedure.**

- (a) When the election official conducts an election by mail, the election official shall mail a ballot to each person whose name appears on the voter registration list prepared under AS 15.07.125 for that election. The ballot shall be sent to the address stated on the official registration list unless the voter has notified the election official in writing of a different address to which the ballot should be sent. The election official is not required to mail a ballot to any voter who does not have a valid residence address, or is in the condition of purge notice (PN), undeliverable (UN), or list maintenance undeliverable (LU), as described in AS 15.07.130. Any qualified voter not mailed a ballot will not later be refused a ballot when requested, but may be required to vote a questioned ballot. The election official shall send ballots by first class, non-forwardable mail, on or before the 19th day before the election.

<sup>2</sup> Ballots issued by the Ballot Processing Center included ballots sent to voters who applied for a fax/e-ballot or those applications for ballots to be mailed to a temporary address.

Election officials followed the 'cure' process for voted ballots that were received but challenged for one of the following issues:

- Lack of signature on the return ballot envelope,
- The signature on the return ballot envelope didn't match the signature on file with CBJ or State Division of Elections,
- There was no reference signature on file with CBJ or the State of Alaska Division of Elections,
- Lack of personal identifier (must have been one of the following: Date of Birth, last four digits of Social Security Number, Alaska Driver's License number or Voter ID number)
- The personal identifier didn't match that on file with CBJ or the State of Alaska Division of Election.

Voters whose ballots were challenged through the 'cure' process were sent letters, which provided instructs on how to fix the issue. The deadline for voters to submit their cures was Monday, October 14 at 4:30p.m., All remaining challenged ballots were reviewed by the Canvass Review Board on Tuesday, October 15.

Based on past by-mail elections, it is likely we will continue to receive a small number of ballots after certification via USPS that may or may not have been postmarked before or on Election Day.

### **\*Rejected Ballots**

The following is a breakdown of the numbers for those ballots that were rejected:

• Ballots received after 8:00p.m. on Election Day (1 e-ballot + 4 regular ballots)	<b>5</b>
• "Naked" Ballots received without the return ballot envelope/voter information	<b>14</b>
• Duplicate ballots received (only the 1 <sup>st</sup> ballot counted, 2 <sup>nd</sup> ballot was rejected)	<b>4</b>
• Voter registered in another Alaskan community	<b>2</b>
• Voter not registered in Alaska or registered past the 9/1/2024 deadline	<b>7</b>
• Voter listed as ineligible to vote by State Div. of Elections	<b>1</b>
• Ballot envelope blank (no signature, no personal identifier), not cured by 10/15	<b>28</b>
• Ballot envelope missing personal identifier, not cured by 10/15	<b>21</b>
• Ballot envelope had incorrect personal identifier, not cured by 10/15	<b>6</b>
• Ballot envelope signature did not match signature on file, not cured by 10/15	<b>28</b>
• Ballot envelope had multiple issues, not cured by 10/15	<b>3</b>
• Ballots received via USPS after Election Day with no or illegible postmark	<b>11</b>
• Ballots postmarked after election day and received before certification	<b>23</b>
<b>TOTAL Rejected Ballots</b>	<b>153</b>

Following certification of the election, CBJ staff transmits a list of all successful voters, questioned and special needs ballot envelopes, and any ballot mail returned as "undeliverable" or "other reasons" to the State Division of Elections. The State Division of Elections then updates the voter history accordingly and follows up with its list maintenance protocols for any address changes and/or mail received as undeliverable.

#### **PROPOSITION #1**

##### **Explanation**

The proposition will authorize the issuance of \$12,750,000 in general obligation bond debt for paying the cost of undertaking certain public safety improvements including acquisition and installation of a replacement radio communication system. The total annual debt service costs, assuming an interest rate of 3.50%, will be approximately \$1,539,000. This amount of debt service would require an annual property tax levy of approximately \$23.50 per \$100,000 of assessed value. This example of a property tax levy is provided for illustrative purposes only.

**PROPOSITION #1  
GENERAL OBLIGATION BONDS  
\$12,750,000**

To improve public safety by improving communication infrastructure, including, but not limited to, acquisition and installation of a replacement radio communication system that will be Alaska Land Mobile Radio compliant within the City and Borough, shall the City and Borough of Juneau, Alaska, issue and sell its general obligation bonds, maturing within 10 years of their date of issue, in the aggregate principal amount of not to exceed \$12,750,000?

- YES, BONDS
- NO, BONDS

**Proposition 1 – Passed with 6205 YES Votes and 4457 NO Votes; total votes counted 10,662.**

**PROPOSITION #2  
Initiative Proposition Short Title: Ship-Free Saturdays**

WHEREAS, the Juneau “cruise season” adversely impacts Juneau residents’ health and quality of life; and

WHEREAS, the cruise industry has created a Juneau “cruise season” this year, 2024, of 195 days to run from April 9-October 24, and without pause for 142 days, from May 2-September 27; and

WHEREAS, a majority of Juneau residents think that our local government is not doing enough to manage cruise tourism; and

WHEREAS, city leaders and industry have had decades to act and have failed to balance the economic benefits to some against the economic and other harms of the many imposed by the cruise tourism industry; and

WHEREAS, residents are displaced by cruise industry overtourism from downtown, the Mendenhall Glacier Recreation Area, and recreation and food harvesting on area lands and waters; and

WHEREAS, excess human presence and human-driven noise from overtourism sullies the sentient, sacred, divine, and living ancestral natural environment necessary for cultural and spiritual health and growth; and

WHEREAS, health, learning, productivity, and enjoyment are diminished by air pollution, noise, light pollution, and traffic from cruise ships, tour buses, helicopters, floatplanes, and boats; and

WHEREAS, Ship-Free Saturdays would provide one day per week, in a consistent and predictable manner, for rest, recovery, recreation, fishing, gathering, and events and activities at home, downtown, and elsewhere in the community; and

WHEREAS, Ship-Free Saturdays would give businesses providing cruise industry services one predictable day per week to schedule maintenance and time off. This pause could result in safer, cleaner, and better operations and happier employees; and

WHEREAS, Ship-Free Saturdays would enhance the experiences of independent visitors; and

WHEREAS, The Fourth of July is a day of community celebration and festivity that extends along our waterfront and through our narrow downtown streets. Making July Fourth cruise ship free opens possibilities for additional community use and enjoyment of our downtown and harbor throughout the entire day.

**SHALL THE CITY AND BOROUGH OF JUNEAU CODE BE AMENDED AS FOLLOWS:**

**Section 1.** Title 20, Business Regulations, is amended to create a new chapter entitled CBJ 20.50 Cruise Ships, with a new section to read as follows:

20.50.010 No cruise ship with a capacity of 250 passengers or more shall be allowed to dock, moor, or disembark passengers within the City and Borough of Juneau boundaries on any Saturday or July 4.

**Section 2.** Effective Date. This initiative shall be effective 30 days after the election is certified.

- SHIP-FREE SATURDAYS, YES
- SHIP-FREE SATURDAYS, NO

**Proposition 2 – Failed with 4196 YES Votes and 6575 NO Votes; total votes counted 10,771.**

**PROPOSITION #3**

**Explanation**

The proposition will authorize the issuance of \$10,000,000 in general obligation bond debt for paying the cost of undertaking certain wastewater utility infrastructure improvements including replacement of the wastewater clarifier building at the Juneau Douglas Wastewater Treatment Plant that services Thane, Downtown and Douglas. The total annual debt service costs, assuming an interest rate of 3.50%, will be approximately \$1,210,000. This amount of debt service would require an annual property tax levy of approximately \$18.48 per \$100,000 of assessed value. This example of a property tax levy is provided for illustrative purposes only.

**PROPOSITION #3  
GENERAL OBLIGATION BONDS  
\$10,000,000**

To improve wastewater utility service by improving wastewater utility infrastructure, including, but not limited to, replacement of the wastewater clarifier building at the Juneau Douglas Wastewater Treatment Plant that services Thane, Downtown and Douglas within the City and Borough, shall the City and Borough of Juneau, Alaska, issue and sell its general obligation bonds, maturing within 10 years of their date of issue, in the aggregate principal amount of not to exceed \$10,000,000?

**BONDS, YES**  
 **BONDS, NO**

**Proposition 3 – Passed with 7000 YES Votes and 3565 NO Votes; total votes counted 10,565.**

**RECALL PETITION A**

**Recall Board of Education Member Deedie Sorensen, President**

**Petitioners Committee Verbatim Statement of Grounds:**

“Sorensen demonstrated failure to perform prescribed duties, misconduct in office, and incompetence by: ...Failure to understand the FY24 budget accounting errors resulting in \$7.9M deficit and taxpayer loan from CBJ, violating BP3460.”

**Verbatim rebuttal statement from Deedie Sorensen:**

“The reality behind this recall is 20+ years of declining student enrollment and prior board leadership unwilling to adjust the budget to this reality.

School Board members rely on district staff to develop, monitor, and regularly report on budget changes. In November 2023, a multi-month audit confirmed there was a substantial failure to report critical financial information.

In response to the alarming audit and the departure of the finance officer, the Board authorized the new superintendent to hire an accountant to examine our budget exhaustively.

In January 2024, as Board President, I notified the Assembly and our community of the findings - a severe budget deficit.

Next, we implemented strategies to address the issues which included a hiring freeze, securing a \$3.9 million grant for building maintenance, all while holding meetings to gather public input on the 2025 school budget and consolidation. The board, administration, and staff should be commended for achieving a balanced budget revision for 2024, resulting in \$600,000 positive balance. This is the deficit budget referenced in the Recall.

We made difficult decisions for our schools in the 2025 budget. Decisions necessary to ensure our students continue to receive a great education.

Vote “NO” on the recall.”

**Board of Education Recall Question - Petition A:**

**Shall Deedie Sorensen be recalled from the office of Board of Education?**

**RECALL SORENSEN, YES**  
 **RECALL SORENSEN, NO**

**Recall Petition A: SORENSEN – Failed with 3562 YES Votes and 6665 NO Votes; total votes counted 10,227.**

**RECALL PETITION B**

**Recall Board of Education Member Emil Mackey, Vice-President**

**Petitioners Committee Verbatim Statement of Grounds:**

"Mackey demonstrated failure to perform prescribed duties, misconduct in office, and incompetence by: ...Failing to understand FY24 budget accounting errors resulting in \$7.9M deficit and taxpayer loan from CBJ, violating BP3460."

**Verbatim rebuttal statement from Emil Mackey:**

"The Budget Issue is not as described in the Recall Petition nor in the Ballot Title. Unlike other states, the responsibility for Alaska school funding is the sole responsibility of the State and it is unconstitutional for districts to fund past the "local contribution" limited in case law and statute. As long as the State of Alaska funds districts within 5% of 2006 funding levels, all districts will continue to face deficits and cuts.

The board was notified of the issue in January 2024 with four months to make a decision under State Law. The budgetary choice was simply buildings versus staff. In FY 2024, the District employed 317 teachers. The chosen model laid off 46.5 teachers. Had we adopted the model advocated by recall sponsors, the district would have had to lay-off 84 of the 317 teachers. Nobody liked the choices, but the chosen alternative was the best decision possible for student success and kept the lowest possible Pupil/Teacher Ratio for years to come. A successful recall will threaten these solutions and have a chilling effect on responsible decision-making by future board members. I urge a "No" vote against this recall. Learn more at JuneauRecall.com."

**Board of Education Recall Question - Petition B:**

**Shall Emil Mackey be recalled from the office of Board of Education?**

- RECALL MACKEY, YES**
- RECALL MACKEY, NO**

**Recall Petition B: MACKEY – Failed with 3753 YES Votes and 6482 NO Votes; total votes counted 10,235.**
