## Systemic Racism Review Committee Legislation Review Summary

Serial Number/Title: Ordinance 2022-06(b)(AG) An Ordinance Appropriating \$93,336 to the Manager for a Grant to Travel Juneau; Funding Provided by Hotel-Bed Tax Funds. Introduced: 1/9/23 Public Hearing Date: 1/30/23 SRRC Review Date: 1/10/23 Presented By: Manager Drafted By: Finance Lead Staff Contact: \_\_\_\_\_Jeff Rogers Department/Division: Finance Purpose of Legislation (background/summary of intent): The Hotel-Bed Tax Fund has accumulated a sizeable balance as a result of much higher than anticipated tax revenue. Had this revenue been foreseen during the budget process, the annual Assembly grant issued to Travel Juneau for the purpose of tourism marketing would have been significantly larger. As such, this ordinance would make a supplemental grant to Travel Juneau for the 2023 fiscal year. Travel Juneau will use this additional grant to reimburse \$93,336 of expenses associated with the 2022 Ironman Alaska event. These expenses include facility and equipment rentals, Ironman staff lodging, JPD and CCFR staff time, and an economic impact analysis of the event. Connection to existing legislation: Resolutions 1319, 1036, and 0687 establish the Assembly's intent on how to utilize the proceeds from hotel-motel room rental tax. Connection to adopted planning documents: Step One: What is the impact of the proposed legislation?

a. Does the proposed legislation negatively impact or unduly advantage a particular racial/ethnic group or otherwise perpetuate systemic racism?

YES NO

b. Does the legislation work to mitigate and/or eliminate structural racism *If Yes, review is completed. If No, or Undetermined, continue through the remaining steps.* 

If No, review is completed. If yes, go on to the next question:

Step Two: How does the legislation perpetuate systemic racism?

- a. What are potential unintended consequences?
- b. What benefits may result?
