

July 5th, 2023

Agenda Item #7a

Recommendation for award of a 2023, ¾ ton 4x4 pickup truck with power tailgate

Background

The Street Department reviewed bids from Gustman's Chevrolet and Stumpf Ford for the June 28th, 2023, 4:00 pm bid opening for the addition of a 2023 or newer ¾ ton pickup truck with power tail gate.

Review

The Street Department has compared the two bids, and with the outright price from Gustman's being within budget and the good relationship we have, we believe that their truck is the right option.

Recommended Action

Award the addition of the new ¾ ton pickup truck to Gustman's of Kaukauna for the total outright price of \$58,865.00.
