## DEPARTMENT OF PUBLIC WORKS

To: Board of Public Works  
From: Jeffrey Bodoh, Project Engineer  
Date: February 2, 2026  
Re: Item 2b, Authorization to seek bids for Project #1-26, 2026 Concrete Street Paving

### **Background information:**

The Engineering Department has completed survey and is finalizing design for the reconstruction of alleys listed below (also as shown on the attached maps).

- Dixon/East Seventh Street Alley- Quinney Avenue to West terminus
- East Seventh/Eighth Street Alley- Crooks Avenue to Metoxen Avenue
- West Fourth/Fifth Street Alley – Miner Street to Main Avenue
- West Thirteenth/Fourteenth Street Alley – Hendricks Avenue to Main Avenue

The alley reconstruction and paving work will include removal of existing pavements and any existing base, installation of storm sewer in two of the alleys, installation stone base, asphalt pavement, driveway aprons, and restoration.

A preliminary resolution declaring intent to exercise special assessments is included in your packets for Council consideration on Tuesday night.

### **Strategic Plan:**

To continue providing a high quality of life for the residents of Kaukauna through improving the quality of the City's infrastructure.

### **Budget:**

The Alley Paving project is budgeted for in the 2026 Capital Improvement budget.

### **Recommended action:**

Motion to authorize the Engineering Department to seek bids for Project #3-26, 2026 Alley Paving.
