Agenda Item #2b

Authorization to seek bids for Project 5-22 – Grignon Mansion Structure Repairs

Background

The Engineering Department and Grignon Mansion Executive Director have been working on specifications for a project to make critical repairs to the Grignon Mansion. Director Mickelson has met and had discussions with a general contractor to prepare a scope of work needed to make the structure sound. Due to these discussions, the original CIP budget numbers will be significantly reduced to reflect the anticipated project expenses with contingencies. Construction schedule is summer 2022 in order to be ready for the busy fall exhibition season.

Recommended Action

Motion to Authorize the Engineering Department to seek bids for Project 5-22 – Grignon Mansion Structure Repairs.
