Re: KHS Civic Engagement Class

Two students from the KHS Civic Engagement class, Audrey & McKenna, took on a food and hygiene drive for the Little Free Pantry as their project. The students were wildly successful in their collection and the Kaukauna community was exceedingly generous with their donations.

The students created a website and flyer for the event. Over the course of three days, they collected from all over Kaukauna. After, they checked dates and sorted all of the food for us and boxed it all up.

On 11/17 the Mayor, Street Superintendent Van Gompel and some of the DPW staff members brought trucks to the high school to help bring the items over to the library. The students then came here to help unload all three vehicles.

It was a very exciting day and the Little Free Pantry will be well stocked for months now. We extend our gratitude to Audrey, McKenna, instructors Mr. Roehrig and Mr. Lee, and all the students that helped sort and carry boxes.
