2. Discussion Topics.

a. Pedestrian and School Zone Safety Efforts Discussion/Update.

DPW/Eng. Neumeier stated several calls have been received on pedestrian and school zone safety, therefore he wanted to update the Public Protection and Safety Committee on what the City does to help create a safer environment. Some of the things being done are having the Street Superintendent, Street Foreman and himself attend a highway safety program from the Department of Transportation. Staff members are currently doing a school zone signage and equipment inventory and making updates to signs and crossings to meet current standards. Staff have reached out to KASD and Kobussen Bus Safety Manager regarding safety concerns on walking routes and bus routes for possible improvements. Staff has been working with consultants and other government agencies on completing studies and looking at possible improvements. This Council has been a strong proponent for rehabilitation and installation of sidewalks to provide safer walking and biking. Staff will be putting together social media posts and get word out to drivers about creating a safer place for bikers and walkers. The important message for both drivers and pedestrians is to slow down and pay attention. Discussion held and questions answered.

b. Equipment Sharing Agreement - Fire Department.

Fire Chief Carrel stated this Equipment Sharing Agreement was shared with the Public Protection and Safety Committee about a month ago. Since first sharing, the agreement was reviewed further by Attorney Davidson and was recommended to have the agreement put into a resolution for approval. No changes were made from the original version. Resolution 2023-5395 will be brought to the Common Council at the July 18 meeting.
