Re: Agenda item 2b, Authorization to seek proposals for the debris removal at the Tower Drive storm lift station.

Background information:

The storm station on Tower Drive has been noted to have collected a significant amount of debris over the years. This material needs to be cleaned out and disposed of to protect pumps from damage and restore capacity for the station. Crew members initially reached out to contractors for estimates for this work. With costs exceeding the \$25,000 mark we are looking for authorization to seek proposals for this project.

Strategic Plan:

N/A

Budget:

\$35,000 was budgeted in the 601- Storm Sewer Maintenance fund for 2026.

Recommended action:

Authorize the Street Superintendent to seek proposals for the debris removal of the Tower Drive storm lift station.
