#### Background

The Engineering Department has completed survey and is finalizing design for installation of concrete streets for the above listed roads (also as shown on the attached maps.)

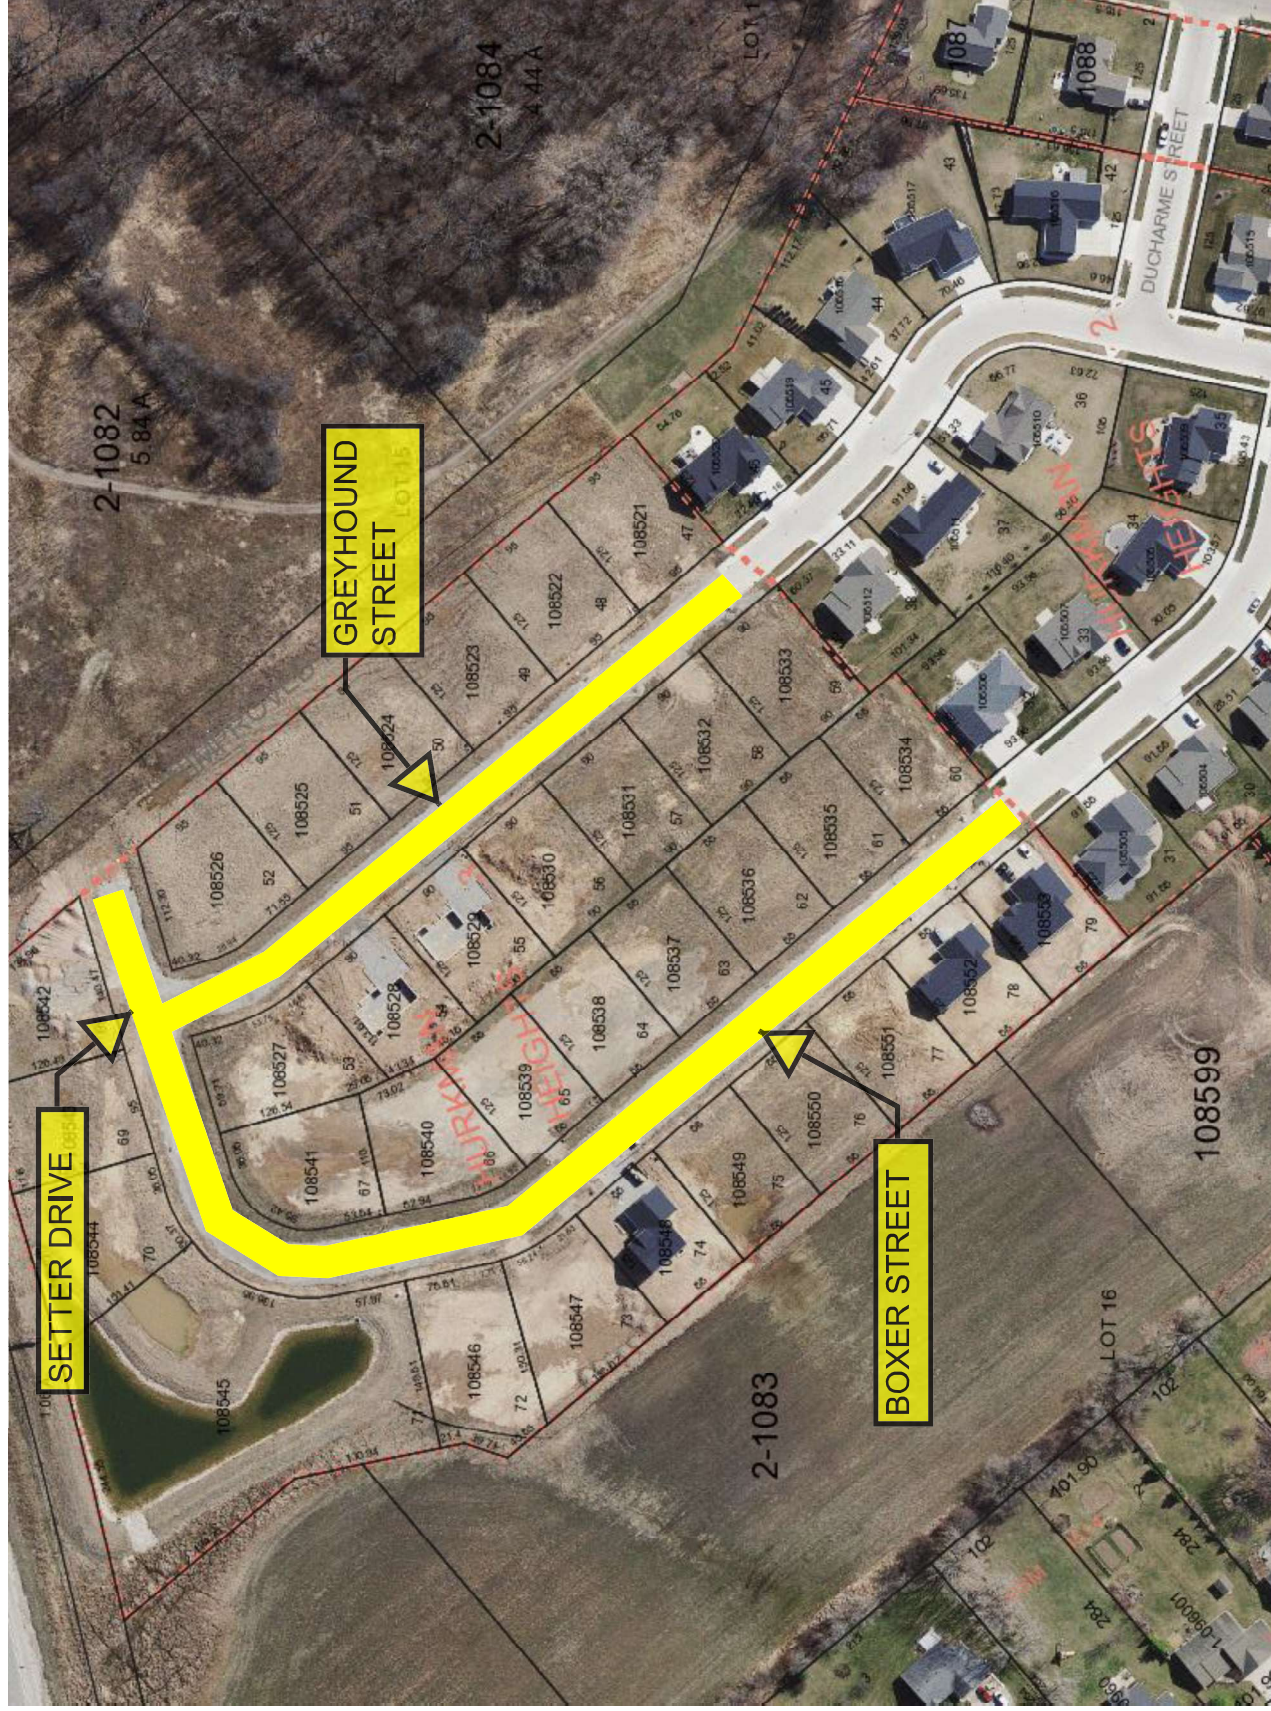

The new construction streets outlined in the maps are in need of the final driving surface, sidewalk, and driveway apron installation. The Street Reconstruction areas will include removal of asphalt and replacement with concrete street, driveway aprons and extension or replacement of sidewalks where needed.

A preliminary resolution declaring intent to exercise special assessments is included in your packets for Council consideration on Tuesday night.

#### Recommended Action

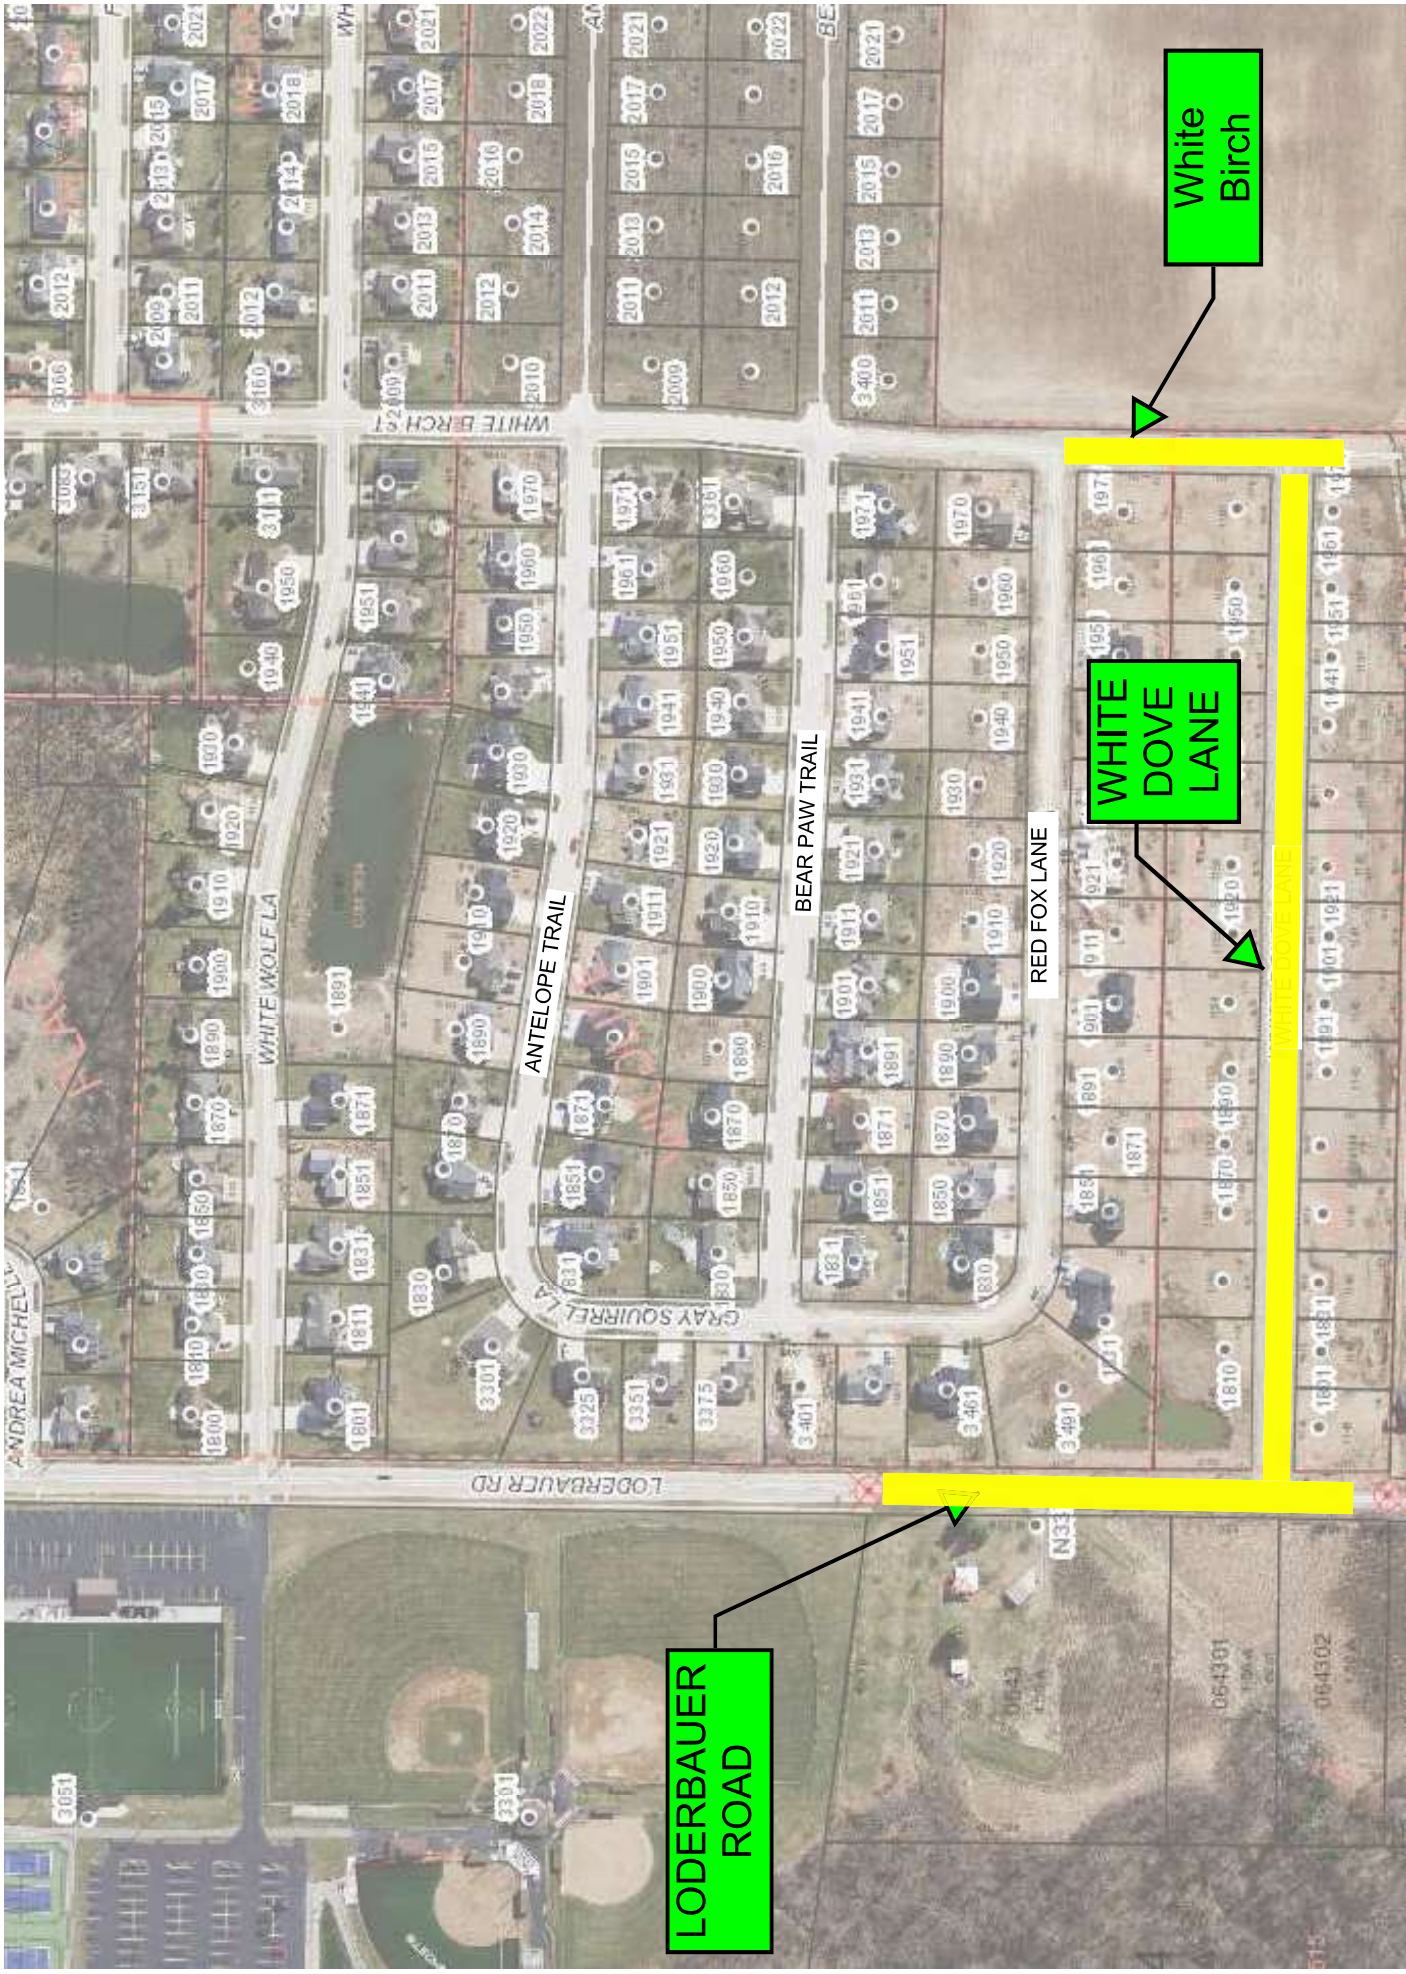

Motion to authorize the Engineering Department to seek bids for Project #1-23, 2023 Concrete Street Paving.

This aerial map shows a residential subdivision with several streets highlighted in yellow. The highlighted streets are Setter Drive, Greyhound Street, and Boxer Street. The map includes lot numbers and street names such as 2-1082, 2-1084, 2-1083, and Ducharme Street. A large red 'FOR SALE' watermark is visible across the center of the map.
