Re: Revolving Loan Fund Update

The attached balance sheet was pulled by the City's Finance Department on April 28th, 2026, and contains the most up to date information available. RACK payments are made on the fifth of each month, so this balance sheet will be a little outdated by the time of the RACK meeting on May 7th, 2026.

Additionally, staff put together a spreadsheet to provide additional information on active loans. No loans have been closed out since the last RACK meeting.

Recommendation:

No action needed, this is for informational purposes only.
