Re: Sheldon Niquette Fund

Community Members have generously come together to recognize a past educator of the Kaukauna Area School District: Sheldon Niquette. He passed in 2021 and family and friends are looking for a way to remember him.

Those that are interested may donate money in his name which will be put into a large fund. Come spring, the fund will be used to install benches/picnic tables with plaques to a City park TBD. Any funds that are left over will go toward the Aquatic Center.

For information on how to submit a donation please contact the Planning Department.
