Re: Rezoning Request – KU

Eric Miller, applicant, on behalf of Kaukauna Utilities, owner, has submitted an application to rezone their properties located at 300 Island Street from [Industrial District \(IND\)](#) and [Residential Two-Family District](#) to [Institutional District \(IT\)](#). Staff confirmed with the applicant that the intention is to rezone the following parcels:

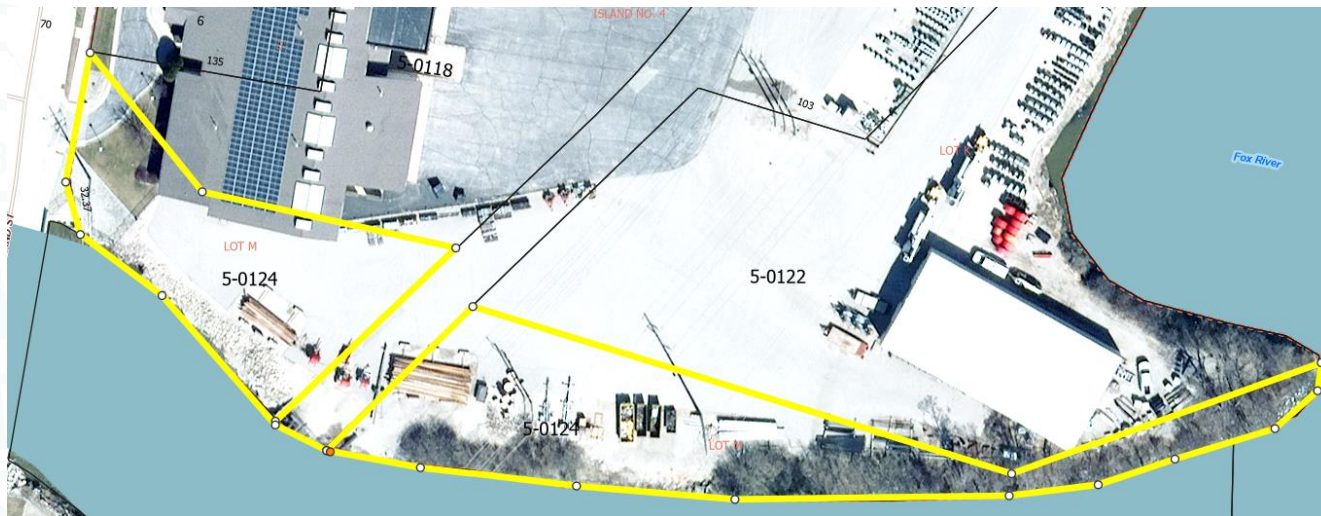

Parcel 325011700 – zoned IND

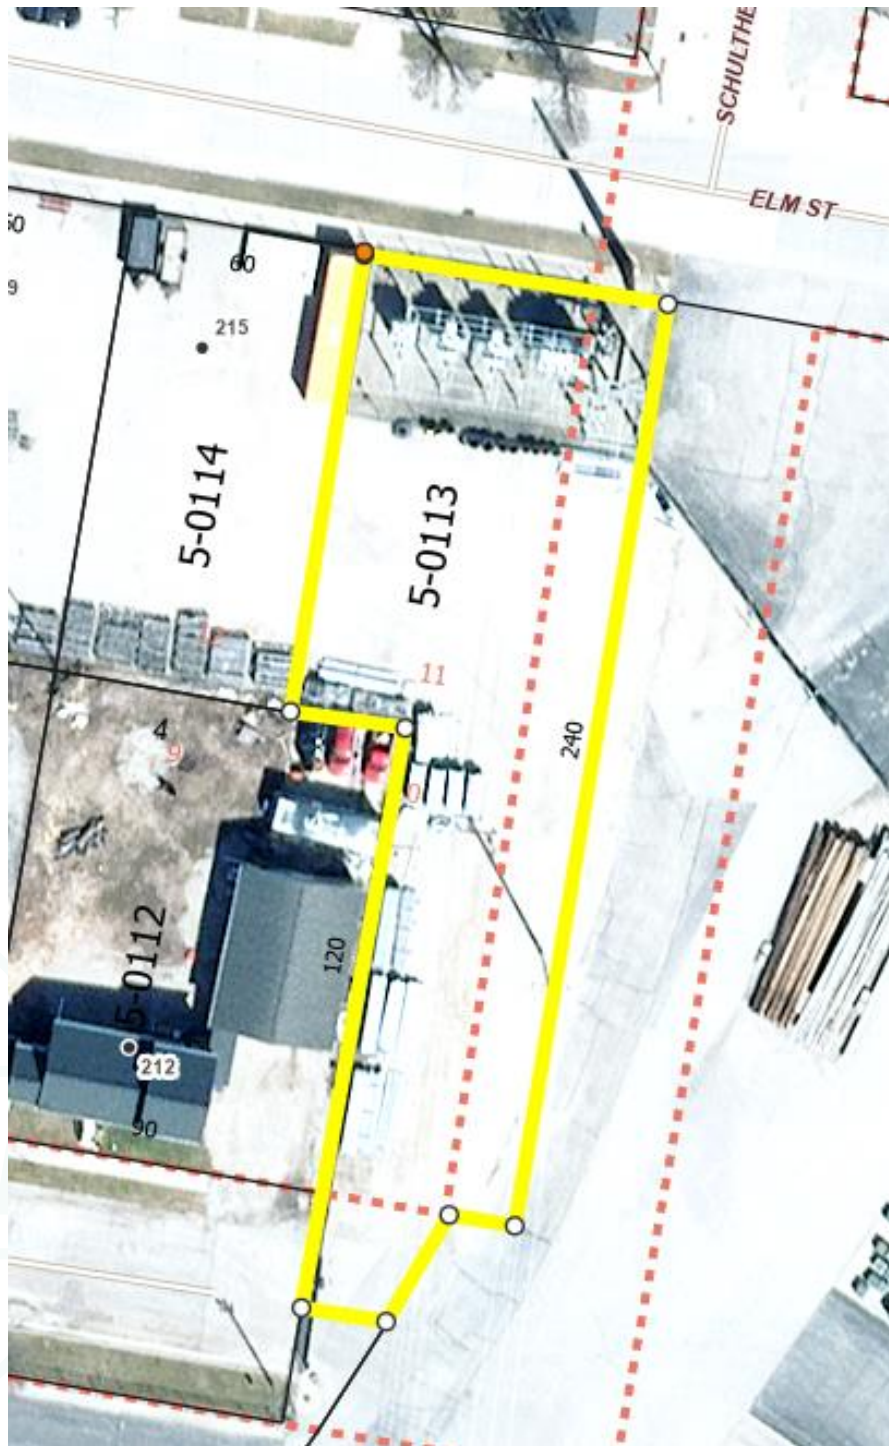

Parcel 325011800 – zoned IND

Parcel 325012400 – zoned IND/IT

Parcel 325011300 – zoned IND

Parcel 325011400 – zoned RTF

Parcel 325011500 – zoned RTF

All Parcels

The purpose of this request is to make sure the zoning matches the existing use of these parcels. City staff have spoken with KU about combining several of these parcels together, which will be easier to accomplish once they are all zoned IT.

A public hearing date for this rezoning request has been set for the September 15th Common Council meeting.

Recommendation:

Staff is recommending approval of the rezoning request to the Common Council and that notice be mailed to all property owners within 200' of the proposed rezone.
