Agenda Item #2b

Authorization to Seek Bids for Replacement of Tower Drive Storm Lift Station Back-up Generator – Re-bid

Background

The back-up generator at the Tower Drive Stormwater Lift Station has been declining for a number of years. The generator is near the end of its useful life. This project was previously bid and all bids were rejected due to the price of work and the complexity of the options. The project scope has been revised/reduced and we will now seek bids for an outside generator unit.

Recommended Action

- Authorize Street Department to seek bids for the replacement of the Tower Drive Storm Lift Station Back-up Generator.
