For Subdivision Plat Review, the proposed street system must be indicated on the face of the preliminary plat to indicate, within a 2,000 foot radius from the exterior border of the plat, how the proposed streets will tie into the existing street system. Maps should be drawn to a scale of not less than 1":1,000'. For Zoning Change requests that would result in split zoning (or two zoning classifications on one parcel), a professionally drawn map meeting the standards above is also required. Additional information may also be requested as may be appropriate per the proposal being made.
