

## **NOTICE OF STREET AND SIDEWALK ASSESSMENTS**

Notice is hereby given that the Board of Public Works and the City Engineer for the City of Kaukauna have made and filed their report of the benefits and damages that will accrue to each parcel of real estate by reason of installation of concrete sidewalk, driveway approaches, grading, gravel base, excavation, topsoil, landscaping, and engineering services related thereto and the amount that should be assessed to each parcel of real estate by reason of such improvement.

Such report is now in the City Engineer's office and is open for review during regular business hours.

Notice is hereby given that on **Monday, June 20<sup>th</sup>, 2022, at 6:00 p.m.**, said Board will convene in the Council Chambers of the Municipal Services Building at 144 W 2<sup>nd</sup> Street in the City of Kaukauna to hear any objections.
