Agenda Item #2b

Authorization to seek bids for Project #7-22, Island/Elm Intersection Improvements

Construction Areas:

- Island Street and Elm Street Intersection Improvements

Background

The Engineering Department has collaborated with the school district and is finalizing design for installation of a signalized intersection for the above listed intersection. (shown on the attached maps.)

The Island/Elm Street intersection work will include signalization, widened roadway, spot replacement of concrete street, storm sewer installation, and sidewalk replacement.

Recommended Action

Motion to authorize the Engineering Department to seek bids for Project #7-22, Island/Elm Intersection Improvements.
