Re: St. Mary's Place Parking Ordinance and Sullivan Bus Parking

Background Information:

At the August 5, 2024, Public Protection and Safety Committee meeting the committee approved a "Proposed No-Parking on the northside of St. Mary's Place – Sullivan Ave to Hendricks Ave" and directed the City Attorney to draft an ordinance to restrict parking on the north side of St. Mary's Place between Sullivan Avenue and Hendricks Avenue. The Ordinance creates a no parking zone in that area between 7:00am and 4:00pm, except Saturdays, Sundays, and holidays. The proposed Ordinance also removes restricted parking for school bus loading and unloading zones from Sullivan Avenue directly in front of Electa Quinney Elementary School.

Strategic Plan:

This recommendation is for the safety and wellbeing of pedestrians and traffic navigating this intersection during busy time periods and especially school children at drop-off and pick-up times.

Budget:

Minor expense for paint and signage.

Staff Recommended Action:

Approve the proposed ordinance to repeal and replace Section 7.12 Parking Regulations within the municipal code.
