

EQUIPMENT SHARING AGREEMENT BETWEEN AREA FIRE DEPARTMENTS

Pursuant to Wis. Stat. §§ 66.0301 and 66.03125, this Intergovernmental Cooperation Agreement (“Agreement”) is entered into by the respective parties, each a Wisconsin municipal corporation acting by and through its fire department, each with proper authorization to execute this Agreement (herein referred to collectively as “the Parties” or “the Departments” or singularly as “Party” or “Department”) for the sharing of fire and emergency medical services apparatus and equipment. Participating agencies should create a list of equipment eligible for sharing.

The Parties are municipal corporations duly organized and validly existing under the laws of the State of Wisconsin with the power to carry on their business as it is now being conducted under the Constitution, the statutes of the State of Wisconsin, and their respective Municipal Codes. The Parties are interested in occasionally sharing equipment to ensure efficient and effective operations. The Parties desire to enter into an Agreement to establish procedures for sharing equipment and defining legal relationships and responsibilities.

NOW, THEREFORE, it is mutually agreed by and between the Parties as follows:

PURPOSE

The purpose of this Agreement is to create a system for the occasional and temporary sharing of motor vehicles, equipment, tools and machinery (collectively referred to in this agreement as “Equipment”) between the Parties for efficiency and effectiveness of operations. The Parties agree to make available to each other vehicles, equipment, tools, machinery, and related items in the manner and pursuant to the terms and conditions provided in this agreement. A Party supplying Equipment shall be designated the “Provider.” A Party receiving Equipment shall be designated the “Borrower.”

TERM

The term of this Agreement shall be from August 1, 2023 through December 31, 2024. This Agreement shall be in full force and in effect with the passage and approval of an authorizing ordinance or resolution by all participating member municipalities, in the manner provided by law, and upon the signing of this agreement by the authorized representative(s) of the municipality, as applicable.

EQUIPMENT USAGE

a. Availability of Equipment:

Each Department shall make a list of available equipment, which lists shall collectively be attachment "A" to this Agreement.

Requests shall be responded to promptly. Each party, at their discretion, may deny a request for Equipment. Generally, parties agree to make reasonable effort to provide requested equipment unless it places a burden on the Provider, or if resources are inadequate, unavailable, or already in use.

The Provider may request the immediate return of equipment from the Borrower to prevent inadequate resources being available for the provision of emergency services to the Provider's community. Upon a request for immediate return under this paragraph, the Borrower shall work with the Provider to return the equipment as soon as possible.

The Provider may request the return of equipment by a future date. Upon request Borrower shall return equipment on the date requested or if no date is specified as soon as practicable and without unreasonable delay.

b. Contact Person.

Each Party agrees to appoint a person or persons to act as liaison(s) for each request and inspection and to otherwise facilitate the orderly and efficient distribution of equipment-sharing requests and related information. Contacts by agency are as indicated on attachment "B" to this Agreement.

c. Fees for Equipment.

Provider shall not charge Borrower for use of equipment unless Provider and Borrower mutually agree in advance or reimbursement is available from a third party, in which case fees shall be charged according to Provider's current fee schedule or the FEMA rate for the specific equipment or reasonably comparable equipment if Provider has not established a separate fee schedule.

d. Delivery/Pickup.

Borrower shall contact Provider as well in advance as reasonably possible of the need for equipment and Borrower and Provider shall mutually agree upon a time and location for pick-up and delivery of Equipment.

Borrower shall be responsible for picking up and returning any Equipment shared under this Agreement, unless Provider and Borrower mutually agree to other arrangements.

Equipment may generally be picked up and returned between standard business hours. However, it is understood that when dealing with the necessity of emergency equipment, requests may occur at hours outside of standard business hours.

e. Condition of Equipment.

Provider shall ensure that any Equipment being shared has been or is serviced consistent with recognized industry standards prior to Borrower's pick-up.

NO WARRANTY --Provider is neither a manufacturer nor supplier of the Equipment and therefore makes no warranties, express or implied, including, without limitation, the condition of the equipment, its design, capacity, performance, construction, workmanship, or fitness for any particular use. All Equipment is shared on an "as-is" basis. Provider shall not be responsible or liable to Borrower for any loss, delay, or damage of any kind resulting from defects in or accidental breakage of Equipment shared under this agreement.

f. Inventory and Inspections.

Providers sharing Equipment under this agreement certify that the Equipment is in good repair and ready for the intended use. Equipment shared under this Agreement shall be inventoried and inspected by representatives of both Provider and Borrower at the time of delivery/pickup and again when returned and shall be documented on an inventory and inspection form, attachment "C" to this Agreement. The inspections shall include an examination of the tires on the Equipment, which the Parties must agree are in good working condition at the time Borrower picks up the Equipment, and which must have adequate tread depth and inflation pressure to ensure safe and legal operation. The parties shall assure that digital photographs of the equipment are taken at the time of pickup and shared with each party to ensure that any existing damage is documented appropriately.

g. Operations and Safety Manuals.

At the request of the Borrower the Provider shall make a copy of Equipment operation and safety manuals available to Borrower at the time of Equipment pickup.

h. Short-Term Sharing:

The Parties agree to permit Equipment to be used pursuant to this agreement for a time period not to exceed thirty (30) days. Equipment usage that exceeds that timeframe will be reassessed by the parties and requires execution of an additional agreement between the parties.

i. Operator Qualifications.

The Parties agree to permit Equipment to be used only by properly trained, properly licensed and supervised operators. All drivers shall be licensed and shall have a satisfactory driving record. All equipment operators shall be properly trained and qualified to operate the Equipment shared under this Agreement. Borrower shall make available to Provider upon request proof of training, licensing, and qualifications of operator(s).

j. Usage Requirements.

Equipment shared under this Agreement shall be used by Borrower's employees only to conduct official business. Borrowers shall use and operate Equipment only for its intended purpose, in a careful manner and in compliance with all requirements for operation and of any governmental authority having jurisdiction, if applicable. Borrower shall not sublease or allow anyone other than Borrower's employees to use Equipment shared under this Agreement.

k. Borrower Responsible for Charges and Fees.

Borrower is responsible for securing any permits required prior to use of Equipment and is responsible for any forfeitures, fines or other penalties or liens that might be incurred arising from or in connection with Borrower's use, and shall hold the Provider harmless from and against any and all fines, assessments, fees, charges, expenses, penalties and forfeitures incurred in connection with Borrower's use of shared Equipment.

l. Fuel and Operating Fluids.

Borrower shall notify Provider immediately if Provider's Equipment is involved in any accident during the share period.
