Re: Staffing Update

After 27 years with Kaukauna Public Library, Sue Meyer is retiring. Sue started in 1999 as fill staff and has since grown into the role of materials processor here. Her last day will be May 15. We wish Sue all the best in retirement and know she will enjoy even more time spent with her grandchildren and her traveling adventures.

Geri Rock has also retired for the second time. Geri retired from the library shortly after we came to the new facility and has been our longest standing On-Call staff member. We sincerely thank Geri for her long-lasting dedication to KPL.

On-call staff member Karla Hammond has also put in her notice. Karla has been doing a fabulous job with the Serenitea yoga and tea program we host twice a month. We are sad to see her go, but she has offered to do some pop-up classes for us in the future!

We will be posting for all the open positions soon.
