1. 5:00 p.m. Call to Order – Roll Call

President Casper called the meet to order at 5:00 PM.

2. Public Appearances

No appearances were made.

3. Correspondence

There was no correspondence for the record.

4. General Discussion Items

A. 2026 Budget Workshop

The Commission and staff reviewed the 2026 proposed budget including expense account projections, debt service for 2026, and the sewer rate parameters. Additionally, anticipated revenue lines were discussed that are used to offset sewer charges to the District member communities. The 2026 equipment replacement fund addition now includes the filters and equipment installed as part of the effluent filter project. Considerable savings has been realized by switching from ferric sulfate to alum in the Actiflo process along with alum being used ahead of the effluent filters to enhance floc formation and phosphorus removal across the filters. Conservative interest estimates were made for 2026 as the interest rate was recently dropped a quarter point along with strong speculation that it will again drop before year end 2025. The overall proposed budget amount is an overall 4.48% decrease over 2025.

The 2026 budget and rate parameters will be officially adopted at the October 23, 2025 Commission Meeting/Public Hearing.

5 Financials

A. September 2025 Accounts Payable; Action for Approval

After a review of the bills payable, a motion was made by Commissioner Casper and seconded by Commissioner Siebers to approve payment of the bills in the amount of \$913,586.27.
