Re: Recommendation to award bid for Project #6-23: LaFollette Park  
Playground Renovation

### Discussion:

Staff has reviewed and analyzed bids from PlayPower LT Farmington, Inc (Little Tykes) and Lee Recreation, received on April 26th, 2023, at 4:00 PM for the 6-23 LaFollette Park Playground Renovation.

APRA funds of \$350,000 were allocated for this project.

The bid from Little Tykes is \$300,000. This bid includes 4 slides, 6 climbers, two deck to deck climbers, an elevated play panel, 3 ground level play panels, and an overhead challenge that links to 2 ground level climbers and an additional overhead challenge. It also features a raft swing and 2 belt seats for the 5-12 age unit. The 2-5 age unit includes 2 slides and 2 climbers, a solo spinner, tot garden wall with play panel, tot swing and inclusive swing seat. This bid also includes rubber surfacing and a compacted stone base of 5,370 sq. ft

Lee Recreation bid \$326,478. This bid includes 3 slides, 4 decks, 10 climbers, 1 table with benches, 2 balance pads, 2 overhead challenges, 1 square roof, 1 panel and 2 canopies for the 5-12 age unit. The 2-5 age unit includes: 2 decks, 2 slides, 3 climbers, 1 table and benches, 1 tunnel and 2 play panels. There are 6 additional individual units including a swing bay with 1 belt seat, 1 konnection seat, 1 tot/infant seat and 1 inclusive seat. This bid also includes rubber surfacing and a compacted stone base of 5,540 sq. ft.

Staff has reviewed the equipment warranty for each company.

### Recommended Action:

Award Total Base Bid Project 6-23 LaFollette Park Playground Renovation to Lee Recreation for a total bid price of \$326,478.
