Agenda Item #2b

Authorization to seek bids for Project Project 12-23 – Wisconsin Avenue Seawall

Background

City staff and McMahon have been obtaining funding for the Wisconsin Avenue Seawall Project. With most of the project funds in place from grants and the remaining funds borrowed for, we are seeking authorization to finalize a bid package and seek bids. The project has strong support from the Fox Locks.

A rendering is attached. We would anticipate a Fall 2023 bid opening and construction schedule of Fall 2023-Summer 2024.

Recommended Action

Motion to Authorize the Engineering Department to seek bids for Project 12-23 – Wisconsin Avenue Seawall.
