Re: Rezoning Request – Parcel 321063400

Jason Hurst, applicant, in collaboration with Wood Brown LLC, owner, has submitted an application to rezone parcel 321063400, shown below, from [Commercial Highway District \(CHD\)](#) to [Residential Multifamily District \(RMF\)](#).

The purpose of this rezoning is to facilitate the construction of residential homes. The developer is considering constructing single-family dwellings, two-family dwellings, single-family attached with zero lot line dwellings, townhouses, or a mixture of dwelling types. These are all permitted principal uses in the Residential Multifamily District.

The current concept, attached to this memo along with the rezoning application, is for the construction of seven residential single-family homes.

Recommendation:

Staff is recommending approval of the rezoning request to Common Council.
