

**February 5<sup>th</sup>, 2024**

**Agenda Item # 2B**  
**5-24 Kenneth Avenue Utility Relay Project**

**Background**

The Engineering Department has reviewed and analyzed the bids from Feaker & Sons, Kruczek, Carl Bowers, DeGroot, Jossart, PTS Contractors, Dorner and David Tenor Corporation, received on January 31, 2024, at 4:00PM for the 5-24 Kenneth Avenue Utility Relay Project. The Engineering Department received eight bids this year and also created an engineer's estimate prior to bid opening.

**Review**

The Engineering Department has compared the eight received bids against the engineer's estimate. The bids themselves are within \$28,822.00 from the three lowest bids, which is a good indication that they are competitive. The lowest bid (Feaker) is under the Engineer's Estimate by \$60,186.50 which is another indication that the received bids are reasonable and competitive. The bids for the Alternate Arthur Street are within \$22,316.14 from the three lowest bid, which is competitive. The lowest bid (Feaker) is under the Engineer's Estimate by \$33,059.95, which indicates the bids we received are reasonable and competitive. Attached is a bid tabulation showing the pricing differences between the received bids.

Kaukauna Utilities Board will review the bids and recommend the project on February 21<sup>st</sup>.

**Recommended Action**

Award Project 5-24 Kenneth Avenue Utility Relay to Feaker & Sons, DePere, WI including the base bid price of \$1,318,816.00 and Alternate Bid for Arthur Street for bid price of \$658,752.50, total contract award of \$1,945,634.36.
