Re: Use of Absentee Ballot Drop Boxes

The Wisconsin Supreme Court ruled that absentee ballot drop boxes are allowed to be used in the state, reversing its own decision on the issue from two years ago.

This decision does not force or require that any municipal clerks use drop boxes, it merely acknowledges that clerks may lawfully utilize secure drop boxes at their own discretion.

In speaking with other Clerks in the area, municipalities using drop boxes are Grand Chute and Combined Locks. Municipalities not using drop boxes are Little Chute and Kimberly.

The City of Kaukauna Ballot Drop Box is located in the front of the Municipal Services Building and is covered by a camera.
